No. 1437

From

REV. S. MORLEY, M.A.,

BISHOP'S CHAPLAIN,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Stone House

Cotacamund.

SIR,

I have the honor, by desire of the Right Reverend the Bishop, to state that he hears both from the Reverend D. W. Kidd and from others that Mr. Kidd suffers much from the climate of the West Coast, but he has refrained from asking for a transfer as he feels he lies under the displeasure of Government.

His Lordship however feels sure that it is not the wish of Government that one of Her Majesty's senior servants should undergo protracted suffering.

The Bishop trusts Government will be pleased to allow Mr. Kidd to be transferred from Cannanore to a more healthy climate. If Government approve the Bishop would suggest his being appointed to Tellore which has been some time without a Chaplain.

I have the honor to be,

Sir,

Your most obedient servant,

S. Morley

Bishop's Chaplain.

C. No. 148

FOR ORDERS.

The Rev. Dr. Kidd was transferred from Combaratore to Tanjore as a punishment for having improperly placed difficulties in the way of the performance of a funeral in the Govt cemetery by the Rev. H. H. Bird, a non conformist minister, and generally for the intemperate tone of the letters addressed by him to the Archdeacon and the Bishop in connection therewith, with the explanations called for from him on the matter. The circumstances are summarized in paras. 8-10 of Despatch to the Secy of State in No. 26.7.94 No. 58, to which attention is invited.

The transfer, which was ordered in No. 19.9.93 No. 80, owing to Dr. Kidd in the meantime having been granted privilege leave & to other circumstances only both

effect on 12th April 1894^{*} so that
Mr. Kidd has been at Cannanore
for not more than 15 months
The Bishop now recommends that
Mr. Kidd be transferred to
some place with a healthier climate
as he is reported to suffer very
much from the climate of the West
Coast. Dr. Ball suggests Vellore
but before acting on the suggestion
perhaps the Bishop might be
asked to report how Mr. Kidd
has conducted himself at Cannanore
and whether there are signs of
his having at last benefited
by the lesson he has received.

It is subd. that a medl.
certificate may be called for
showing in what way the
climate has proved injurious
to Mr. Kidd's health.

No. 1446.

From

REV. S. MORLEY, M.A.,

BISHOP'S CHAPLAIN,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Stone HouseCotacamund.

SIR,

I have the honor, by desire of the Right Reverend the Bishop, to state that he has granted two months' privilege leave to the Reverends D. W. Kidd and R. J. Brandon from or after 1st August and 26th July respectively.

* Medical Certificate enclosed.

The Bishop proposes that the Reverend A. A. Sharp should be in charge of both North and South Black Town.

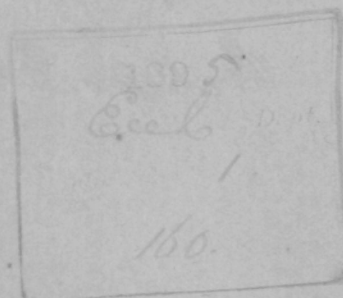

3. D^r Brandon is also trying to arrange for the help of other Clergy.

I have the honor to be,
Sir,

Your most obedient servant,

S. Morley

Bishop's Chaplain.

Ecd. wts: 148 & 160.

The Bishop has granted Mr Kidd & Dr Brandon two months' privilege leave each. The former on m.c. - and proposes to place the Revd: A.A. Sharp, recently returned from furlough necessitated by very serious illness, in charge of both North and South Black Town. No special reason is given for the grant of Dr Brandon's leave. Mr Sharp cannot possibly do justice to the charge of the whole of Black Town - this is another instance of the sacrifice of the people to the clergy by the Bishop. In view of the medl. cert: now subd. the following go. on C. 148 is subd. for approval:-

g.p.

It is observed from the certificate granted to the Revd Mr Kidd by Surgeon M.C. Dermott dated Calcutta, Nov. 10th July '95, that that Medl Offr was of opinion that Mr Kidd required two months'

Mr Brandon is in a critical state of health here at Ootacamund & is expecting her confinement soon. On a previous occasion I think ~~Dr~~^{Mr} Brandon took charge of both N. & S. Black Town in order that another chaplain might get leave

change from the West Coast. This has been granted to him by the Rt Revd. the Bishop. Before considering the question of Mr Kidd's proposed transfer from the West Coast the Govt will await a medical certificate as to Mr Kidd's state of health at the end of ^{his} ~~the~~ privilege leave. The certificate should be obtained from the principal Civil Medl. Officer of the district in which Mr Kidd spends his leave.

his consideration alone. As for Mr. Kidd the medical certificate produced which has been granted by a competent medical Officer it would appear that he is in a bad state of health. Perhaps it might be advisable to obtain Dr. McDermott's opinion as to the probable chances. It would be useful to send Mr. Kidd back if he is suffering from the effects of the climate. He would only break down again.

Hon. Mr. Brose
H.S. the Governor.

Under 20. Dr. McDermott will be better able to say whether Mr. Kidd can stand the climate of the West Coast than the C. M. O. of the district in which Mr. Kidd spends his leave.

Dr. McDermott 19/7
shd. be asked whether he considers that Dr. Kidd's return to the W. Coast after 2 months will be prejudicial to his health.
