From the Ven:

Archdeacon of Madras

To the Hon: the Chief Secretary

Sir,

In reply to G.O. No. 82 dated 20/10/94
I have the honor to request that Govt. will
be pleased to approve the following reductions
in Cemetery Establishments

(1) Chokkappan Cemetery Abolishing of the
appointment of a malichowdan at 4 rupees
per month from July 1. 1895 - The Collector
will require a small amount yearly for cleaning
which will be provided in my Budget estimates
for repairs & petty works. Cemetery

vide estimate

(2) ^{Madras} Madras Government - was under the impression
that there is no Cemetery at Madras. This
is a mistake. There are 2 Cemeteries. One an old
Dutch Cemetery - the other a Protestant Cemetery.
The Collector is of opinion that the post of
malichowdan commr. is entirely abolished in
arrangements have been made from June 1. to
appoint another man in charge as No 2...
per month instead of Rs 3. 8 - I have the honor

to request the approval of Government to this arrangement.
3. Trallayabad Cem. Careful enquiry has been made about this Cemetery. It is looked after now by a man of the village near by who is paid 1 Rs per mth. The Collector does not consider that this can be altered.

4. Dindigul Cemetery - The Collector is of opinion that if 20 rupees per annum is provided in my Budget estimate for repairs & petty works to Cemeteries. The Malichowshedan or 5 Rs per mth may be abolished. I have the honor to request that Gov. will be pleased to sanction this arrangement.

5. Angingoo Cemetery The Collector reports that if 15 Rs be provided annually in my Budget estimate he thinks the Malichowshedan or 5 rupees per mth may be dispensed with. I have the honor to request that Government will be pleased to sanction this arrangement.

6. It does not seem to me possible to carry out further reductions. A very careful revision of Cemetery Establishments was made in 1880 & 1885 by myself when acting as Archdeacon & Archdeacon Pearce. vide

There is no doubt that in the majority of cases

3
The amount spent by Government (to whose credit all receipts from fees etc must be paid) is not sufficient for the proper upkeep of the Cemeteries - This deficiency is met by voluntary contributions. As I mentioned lately in a letter to Gov. so far as the Church of England is concerned a sum of Rs 2590/- is known to have been spent last year from voluntary contributions in the upkeep of Cemeteries. It is also known that more than this has been spent. Hence it is not known to the extent.

I have the honor to be, Sir,

As for the building it is a large building
