TO

Dated Bangalore, 11th October 1895.

SIR,

In reply to your letter No. 55 (Ecclesiastical Department) dated the 23rd ultimo asking for information in regard to the steps taken in connection with the recent robbery at Holy Trinity Church and enquiring whether there is any hope of the discovery of the offenders, I have the honor to state that the General Officer commanding the District convened a court of enquiry to investigate the circumstances under which certain articles the property of Government were missing from the church and to record an opinion as to whether blame attaches

attaches to any person or persons. A copy of the proceedings of this Court is enclosed.

2. The District Superintendent of Police, Civil and Military Station, Bangalore reports that the investigation made by his department went to show that the crime was committed by European soldiers of the garrison.

A bamboo pole was found near the spot where the cash chest was discovered broken open, and this pole was identified as one which was missed from the ~~XIX~~ Hussars' Cricket ground on the morning of the 30th July. It is believed that the pole was used to carry the chest. Boot prints were also visible at the spot where the chest was found.

3. A description of the stolen property has been given to all the Marwari jewellers of the station and places where it is likely to be taken are being watched. The Inspector in charge of the case is of opinion that the offenders have not yet disposed of the property and reports

reports that the matter is still receiving his attention. I shall be glad to communicate any further developments.

I have the honor to be
