G.O., No. 44, Ecclesiastical, dated 6th July 1895.

ABSTRACT.—Informing the Public Works Department that no surplus receipts have been credited to Government from the Pursewalkum General Cemetery.

READ—also the following paper :—

From the Revd. F. W. KELLETT, Secretary, Madras Missionary Conference, Royapettah, to the Chief Secretary to Government, dated 28th April 1896.

I have the honour to enclose the accounts of the Pursewalkum and Washermanpettah Cemeteries (Non-Conformist Sections) for the year ending 31st March 1896.

In accordance with G.O., No. 2434-W., dated 3rd October 1895, the work of filling in the tank and low ground in the Pursewalkum General Cemetery has been undertaken by the Public Works Department and is nearly completed. This help on the part of Government is greatly appreciated by the various churches which use the Cemetery. The additional room thus provided will meet our needs, we hope, for some time to come. The laying out of the paths of this portion, necessary repairs of other walks and the filling in of a well—required of us by the Municipality of Madras—will call for immediate considerable expense. It is proposed to make use of the balance in hand for these purposes with the permission of Government.

We hope also that Government will allow us to keep the balance on the Washermanpettah account. We desire to purchase some necessary furniture for the Vestry and to improve the appearance of the Cemetery in general.
