GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following papers :—

From the Venerable W. W. ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 21st April 1896, No. 2707.

I have the honour to state, for the information and orders of Government, that the lay trustee of Gúdalur is anxious that a mali should be allowed for the Gúdalur cemetery attached to the church.

2. The cemetery is a small one and in the class "Under one acre" and few Europeans or Eurasians are buried in it.

3. I have the honour to request that Government will be pleased to decide whether a mali should be appointed or whether a sum should be granted each year from my budget allotment as may be required for the cleaning and upkeep.

From F. C. HARRISON, Esq., Officiating Accountant-General to the Government of Madras, to the Chief Secretary to Government, dated Fort St. George, 11th May 1896, No. 1402.

In returning herewith letter of the Venerable the Archdeacon of Madras, No. 2707, dated 21st April 1896, referred to me for remarks in your endorsement, No. 913, dated the 29th idem, I have the honour to state that there is no objection to Government sanctioning a mali-chowkidar for the Gúdalur cemetery under Rule II of the revised Ecclesiastical rules printed in G.O., No. 141, Ecclesiastical, dated 17th July 1885, subject, however, to confirmation by the Government of India, the charge being Imperial.

2. If, however, in lieu of the entertainment of a mali, Government decides to adopt the alternative plan preferred in paragraph 3 of the Archdeacon's letter, that a sum should be granted each year as may be required for the cleaning and upkeep of the cemetery, I would point out that the charge will have to be provided for in the Public Works Department budget, as apparently contemplated by Rule 1 (b), Appendix A, to the rules quoted above.

No. 1029.

Referred to the Public Works Department for favour of remarks, with reference to paragraph 2 of the Accountant-General's letter.

OOTACAMUND,

(Signed) W. W. PHILLIPS,
Ag. Assistant Secretary.

No. 1569-D—A.

Gúdalúr cemetery is not included in the list of churches and cemeteries to be repaired by the Public Works Department printed with G.O., No. 2746 W., dated 17th October 1891.

2. In the case of cemeteries to be repaired by the Public Works Department, the charges for cleaning and upkeep are, under Code I, Appendix K, Annexure A, Rule I, debited to the repair estimates of the cemeteries concerned.

ORDER—No. 38, Ecclesiastical, dated 1st July 1896.

The Government sees no reason for the entertainment of a separate mali-chowkidar for so small a cemetery as that at Gúdalúr. The Venerable the Archdeacon may allot the necessary funds for maintaining it from his budget grant for petty construction and repairs under 23, Ecclesiastical.

The Government sees no reason for the entertainment of a separate malichowkidar for so small a cemetery. The Venerable the Archdeacon may allot the necessary funds for maintaining it from his budget grant for petty construction and repairs under 23, Ecclesiastical.

2. The resolution of the Government of India quoted by the Accountant-General is obsolete, so far as the incidence of the charges on the various funds and departments is concerned. A new edition of the rules, brought up to date with all subsequent modifications would appear to be highly desirable, and the Venerable the Archdeacon is requested to be so good as to indicate the alterations necessary, in communication with the Accountant-General, the Public Works Department and all other offices concerned. The Government of India will then be addressed.
