- (a) the division of the new cemetery at Saidapet;
- (b) the extension of the Washermanpettah cemetery;
- (c) the division of the new cemetery at Kilpauk among the various denominations for whom it is intended; and
- (d) the necessity or otherwise for further burial-grounds in Madras in the near future.

G.O., No. 1, Ecclesiastical, dated 6th January 1896.

ABSTRACT.—Referring the question whether walls are necessary round the new burial-grounds at Saidapet and Kilpauk to the committee appointed under G.O., No. 91, dated 27th November 1895.

Memorandum, No. 85, dated 15th January 1896, referring to the Venerable the Archdeacon report from the President, Municipal Commission, Madras, that the cemetery at Kilpauk is better enclosed than that at Saidapet and that any expenditure thereon should be met from the revenue derived therefrom.

From Lieutenant-Colonel G. M. J. MOORE, c.i.e., President, Municipal Commission, Madras, to the Chief Secretary to Government, dated 22nd April 1896, No. 44-G.

With reference to G.O., No. 91, Ecclesiastical, dated 27th November 1895, I have the honour to submit the accompanying report, together with a plan of the Kilpauk Cemetery.

ENCLOSURE.

Report of the Committee appointed under the provisions of G.O., No. 91, Ecclesiastical, dated 27th November 1895, to consider and report upon the following points:—

- A. The division of the new cemeteries at Saidapet and Kilpauk.
- B. The extension of the Washermanpettah Cemetery.
- C. The necessity or otherwise for further burial-grounds in Madras.

Members.

 „ Right Revd. Dr. H. Jose Reed da Silva (Vicar-General Nunes).
 „ Senior Chaplain, Church of Scotland.
 „ Revd. W. Skinner, Free Church of Scotland.
 „ Revd. John Beard.
 „ Secretary, Madras Missionary Conference.

The committee held four meetings—two at the Municipal office, one at Kilpauk and one at Saidapet—and beg to submit as follows.

2. The new Washermanpettah Cemetery should be extended to the east and west as far as land can be acquired for the purpose, failing which a new cemetery to the north of the city should be provided.

3. There does not appear to be any necessity for the provision of further burial-grounds, provided that existing burial-grounds are not closed until such time as they be filled and that the Washermanpettah Cemetery be extended or another cemetery to the north of the city be provided.

4. The division of the Kilpauk Cemetery as shown in the accompanying plan is approved, the Vicar-General, Mylapore Diocese, stating that he requires no portion of the cemetery.

5. As there appears to be no immediate necessity for the Saidapet Cemetery, the committee do not propose to make any allotments.

6. With reference to G.O., No. 1, dated 6th January 1896, as it is considered that the Saidapet Cemetery will not be required for some time, the committee are of opinion that the question of the wall may be postponed.

7. As regards the Kilpauk Cemetery, the committee do not consider it necessary to construct a wall along A C E, that portion being sufficiently protected. A wall is necessary from D to E and should the fence along A B D, which has been recently set, not prove sufficient protection, a wall along that portion will also be necessary.
