(1) The Madras list referred to in the current is that ordered to be verified and revised in G.O. 37 of 96. flagged B. Revised lists have not yet been received.

The G.O. ordering the revision of the lists was not commd. to the Supt. Govt. Press. he has, as usual, fixed the price of the list believing it to be final.

(2) As regards the Tanjore list please see his telephone message attached. The orders on these Office Notes fixing the prices of lists of tombs are not commd. to the Supt. Govt. Press. The disposal is usually a letter to the India Office advising the despatch of 12 copies. It is not understood why the Supt. awaits orders in this case only. I have asked

The Tanjore list has not yet been received in the office. When it is received, it will have to be checked with the list appended to go. 61-62 7-955 in the book file. It was Mr D'Courcy that did the latter paper.

The Madras list up to is apparently the one that was sent with go 37 of 6 to the collector of Madras who revised and checked. As this list is simply a provisional one it is doubtful whether it should be forwarded to the India office.
