From

H. C. Harrison Esquire,

Offg. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Ecclesiastical Department.

SIR,

With reference to paragraph 2 of Government order No 35 Ecclesiastical, dated the 9 June 1897, regarding a spending power for unforeseen contingencies of the Saint Mary's Church Fund, I have the honour to state that the Garrison chaplain asked for the power apparently under the impression that the charges for repair of the Choir cart should fall against the church fund. In his subsequent letter dated 8 June 1897, he states that the charge does not belong to the church fund; his proposal may be considered to have been withdrawn.

The

The charges against the fund consist only of the salaries of the Superintendent of the Orphans, of the Organist and bellowsman, certain pensions and the allowance paid to the Civil Orphans. Ayclum on account of the Orphans, Contingent charges have, it seems, been very rarely incurred from the Church Fund during the last 30 years. The Church Books and Registers were repaired once (at a cost of Rs 50) under the sanction of Government. I do not therefore consider that there is any necessity for the Government to delegate its power to the Trustees in the matter of incurring unforeseen charges from the Fund.

I have the honour to be,
 Sir,
 your most Obedt: Servt,
 M. L. M.
 Offg: Accountant General.
