4. As you are aware each year Collectors send me a report of the Cemeteries in their Districts & I am proposing that in the year 1897/98 - when they send in their reports for 1896/97 - that the annual reports shall be submitted containing information which will enable me to check various items & to draw out a complete list for the year

5. If however it is necessary that this full list should be sent in before I forward to Gov. the annual return from the Collectors I will obtain the information as quickly as possible; in that case I should be glad to know at once, as it affects letters I am sending out.

to Collectors

6. It will be understood that the Cemeteries I refer to in para 3 are never repaired by the D.P. except under special orders of Government.

7. I am in communication with the Archdeacons of the other Dioceses in India - as the subject of repairs to Cemeteries & scattered tombs. I believe the system, as understood here is more perfect than in any other part of India - but I am anxious to obtain all the information possible -

There the honor to be

SUBJECT.

Repair to Churches &
Cemeteries.

FOR ORDERS.

G.O. no 88 Ecclesiastical, d. 6-11-91
contains a list of Churches &
Cemeteries to be repaired by the
P.W.D.

G.O. no 39 Ecc. d. 3 July 1896
called upon the Archdeacon to
present a list showing the
Churches & Cemeteries maintained
by the P.W.D. the Archdeacon
respectively from Provincial &
Provincial funds. The perusal of
the G.O. shows that this
order was issued because the
list printed in G.O. no 88 d. 6-11-91
had undergone several modifications.

The Archdeacon, after making
inquiries (under D.O. no 522)
as to the nature of the repairs
required of him now asks
in the current of the way

postpone his reply until
 he submits his reports on
 the cemeteries in the different
 districts. (Last year these
 reports were submitted on August
 18th) The Archdeacon points
 out that his information
 will then be complete & that
 he will have obtained his
 information without asking
 the Clergy to make a special
 report: information is required.

The Archdeacon reports that
 he is in communication with
 the Archdeacons of the Dioceses
 on the subject of repairs to
 Cemeteries.

There is, it is submitted, no
 very urgent necessity for the
 list called for: it will be
 more satisfactory if the
 Archdeacon is permitted to take
 his own time. The following draft
 is submitted:

"The Ven^{ble} the Archdeacon will be
 informed that it will be sufficient
 of the full list of Churches & cemeteries
