Re St Mary's Church Fund

Sir,

I have the honour to inform you that another accident has occurred to the St Mary's Chari Cart. The cart was taking the boys home from Church along the Poonaallee Road, when the wheel was caught by the tram-way line. In trying to get off the tram line the wheel was wrenched, the iron tire was snapped in two places, and some of the spokes injured.

2. The cost of repair will be ^R25.^a12.^b6 according to the enclosed estimate from the Industrial School.

I have the honour to ask that you will be so good as to get the sanction of the Govt for this amount to be paid from the St Mary's Church Fund.

3. And with you permit me to suggest that you and I in consultation should have a small spending power in connection with the St Mary's Church

Fund, instead of troubling H.E. the Governor and the Hon: the Members of Council about so small a matter as the the expenditure of Rs 25 over the Cart-wheel.

I suggest that we - the Hon: the Chf. Secretary and the Garrison Chaplain - as co-trustees of the Fund, should have a spending power for unforeseen Sundries of Rs 100 per annum - we can always find out from our neighbour, the Accountant General, who keeps the account, whether the money is available or not.

Commending the suggestion to your Consideration

I have the honour to be

Your Obedient

Frank Penny.

Secty. Chaplain

SIR,

With reference to my letter to

You No 151 dated 27th May 1897

I have the honour to add that I find I have made a mistake in asking that the St Mary's Choir Cart should be repaired at the expense of the St Mary's Fund.

The cart is the property of the Government, I understand; and has been repaired hitherto at the expense of government.

Permit me to ask therefore that the sum mentioned Rs 25.12.6 may be supplied by the Government for the necessary repair mentioned.

I have the honour to be

Dated d. 25.5.85), and
the cart has already been
twice repaired at the public
expense, once in 1888 when
the repair cost Rs 46, and
again in 1895 when the
amounted to Rs 95-7-6

This submitted that C 134
may be read along with
the previous C. 123, and
