FORT SAINT GEORGE,
5th May 1897.

CURRENT No. 107

From

THE GARRISON CHAPLAIN.

To

The Hon. Mr J F Price
Chief Secretary to the Govt of Madras

Sir,

I have the honour to address you on the subject of the St Mary's Choir Cart, the bulls, and the allowance from the St Mary's Fund for their upkeep.

2. The Cart was purchased in 1893 and paid for out of the St Mary's Fund. The bulls were purchased in the same year and paid for out of public funds. The last order on the subject was dated 23 June 1894 No 51.

3. One of the bulls is now very old and weak and unable to do its work. For about two months past the choir boys have been coming to St Mary's by tram. The tram runs from the Egmore Station, quite close to the school, to the Memorial Hall, not very far from the Fort.

4. When the bulls and the cart were supplied there was no tram. Now that there is a tram there seems to be no necessity for the bulls and cart.

5. I have the honour to request that I may make the experiment of doing without them, and may send the bulls to the Chf Comt: officer to be kept until it is clear

whether the experiment succeeds or fails.
If it succeeds I can make over the bulls
permanently to the Chf Comt Officers. If
it fails I can have them back again.

6. I am asking to be allowed to send
the bulls back whilst the experiment is being
made, because the allowance sanctioned
from the St Mary's Fund (Rs 20) will
not be sufficient for their upkeep
and for the train expenses of the boys
as well. But it will be sufficient
for the boys.

7. I am presuming that the Chf
Commissariat Officer will make
no difficulty about receiving the
bulls into the Lines.

NOTE FOR THE C.S.

Please see the current which
explains itself.

In para 7 the Chaplain says
that he presumes that the
Chief Commissariat Officer will
have no objection to receiving the
bullocks into the Lines. It is
submitted that he very probably
will object, especially as one of
the bullocks is old & fresh
work. This animal might well
be put out of its feed.
It is submitted however that it
will be best to ask the Chaplain
to consult the Chief Comm^t Officer,
and report whether the bullocks
can be received into the Lines
free of cost. This will be
simpler than sending a
Memorandum to the Commissariat
Dept.

If there is no difficulty about
the keep of the bullocks then
well, it is submitted, be no
objection to the 'experiment' of
using the train being tried;
though the loss of this experience
which they have had should be
sufficient.

SIR,

I have the honour to acknowledge the receipt of the order R N 59, dated 25th May 1897.

I have consulted with the Chief Commissariat Officer, and am authorised by him to say that he will gladly receive the bullock into his establishment free of charge, for the reason that his establishment of bullocks is under strength.

With reference to the other bullock I have the honour to report that it died of old age about a fortnight ago

FOR ORDERS.

The Garrison Chaplain
considers that it may be
convenient to give up the
bullhook coach, which is at
present used for conveying
Mr. St. Mary's church choir
boys to & from the orphan
asylum, and to use the
railway instead, and
he asks permission to
send the bullhook to the
Chief Commissioner of the
Police while he makes this
experiment. The C.C.O.
is willing to take the bullhook
free of charge.
The Chaplain proposes to utilize
the 20 passengers section for
the purpose of the bullhook when
the train fares. It is submitted
that permission may be granted.
