ECCLESIASTICAL DEPARTMENT,

No. 3407

From

THE VENERABLE W. WESTON ELWES, M.A.,

Archdeacon of Madras,

To

The Hon. The Chief Secretary to Government

Sir, I have the honor to state for the information and orders of Government that it seems necessary to Enlarge the Veeranayagam Cemetery.

2. There is room for the burials of Members of the Church of England for at least 10 years more.

3. The portions allotted to Roman Catholics and Non-Conformists are full. - There is of course no immediate difficulty about this because in accordance with the spirit of the Orders of Government of India space will be supplied for the burial according to the rites & ceremonies of the Church to which they belong - If any Roman Catholic or Non-Conformist who may die, & the burials of these are few.

4. The only way to avoid Enlargement would be for some of the ground at present belonging to the Church of England to be regularly allotted to the Roman Catholics & Non-Conformists, but I think it would be better to Enlarge the Cemetery.

5. There is room for Enlargement on ground adjacent to the present Cemetery & the local Military authorities have no objection to this. -

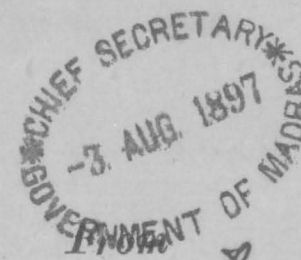

I have the honor to be,

Your Most Obedt Servant,
W. Weston Elwes

Office of the Principal
Asst. Collector of
Virajapata 21st July 1897

From

A. R. Banerji Esquire,
Special Asst. Collector in Charge,
Virajapata District.

To

The Collector, Virajapata.

Sir,

Referring to your endorsement Re. no. 734 dated 27th February 1897, I have the honor to state that the Deputy Tahsildar of Virajapata reports that he inspected the cemetery referred to in company with Reverend Sanford and found that the portions allotted to Roman Catholics and Non-conformists have been fully occupied. The space belonging to the Church of England being very limited as reported, it seems desirable that the cemetery should be extended towards the west where there is an unoccupied ground measuring 266 x 100 ft. available for the purpose. Reverend Sanford endorses the same opinion. The ground in question does not form part of any compound. It belongs apparently to the Military authorities.

2. The Station Staff Officer states that the extension of the cemetery is still under consideration as it entails reconsideration of the existing cantonment.

The Subdivisional Officer
has been for at least
10 years

boundaries.

3. The delay in the submission of this report is due to the non-receipt of a definite reply from the Station Staff Officer and he has again been addressed on the subject.

4. Your endorsement R.C. under reply and the Dy. Tahsildar's report thereon with its enclosures, are enclosed.
