I quite agree as

to the need of more ready ac-
commodation, I have no
objection to the preparation
of plans & estimates, ^{especially} as
Mr. Maule has already seen
how the accommodation can
be provided. He Architect
must be informed, however,
that the work cannot be
taken in hand till we have
more money.

As to the necessity for
raising the roof, I do like
to hear the pros & cons. I
have formed no opinion about
it yet.
