Cemeteries.

Recording, with remarks, letter from the Venerable the Archdeacon forwarding reports of Collectors on — in their districts for 1896-97.

GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following paper :—

From the Venerable W. WESTON ELWES, M.A., Archdeacon of Madras, to the Chief Secretary to Government, dated Coonoor, 13th October 1897, No. 3963.

I have the honour to forward enclosed Collectors' reports on the cemeteries in their districts for 1896-97 and a report from the Executive Engineer, Madura, on the cemeteries at Periyár which are not reported on by the Collector of Madura.

2.

NORTH ARCOT.

1. *Vellore Old Cemetery near Commissary Bazaar*—is in an entirely neglected state and requires weeding, cleaning, &c.

No. 1 in Collector's Report.—The total amount applied for by the Collector for repairs to the cemeteries under his charge has been placed to his credit, and the matter referred to in the letter of the Head-quarters Deputy Collector will be attended to.

SOUTH ARCOT.

8. *Goanese Cemetery near the Hospital in Cuddalore New Town*.—An allotment of Rs. 432 has been applied for, for constructing a compound wall, in Collector's office No. 811, dated 9th September 1896, to the Venerable the Archdeacon.

No. 8.—It is doubtful whether this work should be done at the expense of Government. Correspondence has taken place between myself and the Collector on the point, and the matter will be decided according to rule.

GÓDÁVARI.

2. *Jayannaikpur*.—Rs. 160 sanctioned for repairs to this cemetery—*vide* correspondence ending with Collector's office No. 377, dated 10th May 1897. Some more work has to be executed at a cost of Rs. 240 and will be taken up soon.

Nos. 2 and 4.—Money has been provided and the necessary repairs will be carried out.

4. *Coringa*.—The compound wall on the southern side has been almost damaged. Funds will be applied for in the budget for 1898-99.

MALABAR.

12. *Old Cemetery at Cochín*.—Many of the monuments are in a bad state of repair and, owing to its distance from the new cemetery, the chowkidar is said to be unable to look after it.

No. 12.—This matter will be attended to. The great difficulty with cemeteries in which there are old Dutch tombs is that they are so expensive to repair.

NILGIRIS.

11. *Derala Cemetery*—requires fencing in two places as the original fence has fallen down. Jungle grass heavily grown around the tombs should be cleared.

No. 11.—The Collector of the Nilgiris has had placed to his credit the total amount required for repairs during the current year.

TANJORE.

1. *St. Peter's Cemetery, Tanjore*.—The extent of the cemetery is 2 acres 38 cents. It belongs to the Church of England and is in use. The compound wall has fallen down in some places. The S.P.G. Missionary is in charge of it.

No. 1.—The matter will be attended to.

4. *Karikop Cemetery, Negapatam*.—Most of the tombs require repairs; two of them, viz., of Mrs. Lydia Torriano and of Thomas Richard Stockdale, Esq., require urgent repairs. The matter will be reported to the Venerable the Archdeacon for orders.

No. 4.—The remark made under Malabar No. 12 applies here. It will probably be necessary to address Government specially on the subject.

3. No special remarks seem called for on the reports from other districts. The repairs referred to as being necessary have already been carried out or will be carried out during the present financial year.

ENCLOSURE.

From A. Joyce, Esq., Executive Engineer, Madura Division, to the Superintending Engineer, VI Circle, dated 29th August 1897, No. 290 S.E.

I have the honour to inform you that both the European and Native Christian cemeteries at Periyár are in good condition.

No. C.-8-M.D.

Copy communicated to the Venerable the Archdeacon, Madras, for information, with reference to G.O., No. 865 W., dated 10th March 1896.

(CAMP), PERIYAR,
4th September 1897.

(Signed) O. V. BODDY, Lieut.-Col., R.E.,
Superintending Engineer, VI Circle.

ORDER—No. 90, Ecclesiastical, dated 15th November 1897.

Recorded.

2. In some of the reports* certain cemeteries which are not in actual use have been entered.

* *Cuddapah*.—No. 37, Civil burial-ground at Cantonment, Cuddapah.
Kurnool.—No. 1, Kurnool cemetery.
City of Madras.—No. 7, Old cemeteries, Roman Catholic, Washermanpett West Cemetery Road.

These should be placed under a separate heading as pointed out in

paragraph 3 (*Nilgiris*) of G.O., No. 66, Ecclesiastical, dated 18th September 1896.

3. In reviewing the Collectors' reports for 1895-96 Government requested the Collector of Bellary to submit a copy of the inscription on tomb No. 6 at Madhavaram so far as it could be deciphered. It is now reported that this inscription, as well as that on tomb No. 2, is undecipherable. In the same Government Order* Collectors were informed that their reports should be based on the inspection either of themselves or of their Revenue subordinates. It is not understood therefore on what information the remarks on tomb No. 6 in the Cyddapah district, which was not inspected, are based. Extract No. 15 of the report from the Collector of Ganjam will be communicated to the Marine Department.

No.	Name of cemetery or tomb.	Person responsible for its upkeep.	Remarks.
15	Ganjam. Protestant Cemetery at Calingapatam.	Superintendent, Sea Customs, Calingapatam.	The cemetery has no compound wall. A good wire-fence is considered necessary for this. A sum of Rs. 100 has been provided in the budget for 1898-99.

23. Church of the Lady of Purification, Roman Catholic, Meersapet, Jana Janakhan Road.—Should be closed as soon as Kilpauk is taken over. One gardener.
3. B.V.M. of Refuge, Roman Catholic, Monegar Choultry Main Road.—Walls might be colour washed.
4. St. John's, Roman Catholic, Monegar Choultry Main Road.—Walls might be colour washed. Northern wall requires considerable repairs. One superintendent. Work done by coolies.
9. B.V.M. of Assumption, West Cemetery Road.—Might be planted out. One gardener for Nos. 8 and 9.
20. Sacred Heart of Jesus, Wallajah Esplanade Road.—There is no use in my reporting every year on this cemetery. No attempt is made to repair the walls. It is a standing disgrace. One gardener.
24. Luz Church Cemetery, Roman Catholic, Luz Church Road.—A little weeding out would improve it. One grave-digger.
25. Discense Church, Roman Catholic, Yellapatha Madah Covel Street.—Apparently little used.
26. Mai de Deus, Roman Catholic, St. Thomé, Peria Pully Street.—Apparently not used. More of a cocoanut tree.

A good many of the tombs have recently had marble inscriptions inserted but a number still remain unmarked. Some of the tombs have signs of lichen and moss beginning to appear and though it is not so long ago, that they were cleaned, still this might be cleared off." justify, he will have to
eat his words as he
did before.

See within my query
