To

The Chief Secretary
to the Government of Madras.

I have the honour to request that the sum of 45 Rs for the repairs of brasswork in St. Mary's Fort St. George may be paid from the St. Mary's Fund.

2. The brass work in question was partly the gift of the late Princess of Tanjore in memory of her friend the late Lord Hobart, Governor of Madras (the altar rails), & partly the gift of Lady Hobart to the memory of her husband (the lectern).

3. Ornamental work of this kind is not done by the D. P. W. The offertory Fund of the Church is too small to make a charge of this kind. The Church Committee have resolved that this application made to the Government in consequence that

...the ... incurred may be met
from the St. Mary's Fund. The work
has been carried out by Messrs Orr &
sons and is well done.

brasswork in St. Mary's, Fort Saint George, from the S.
Mary's Fund, referred to me for remarks under
Endorsement N^o 1701 dated 12 August 98, I have the
honour to state that the balance of the Fund on
this date is Rs 2217/- and reference to G. O. N^o
265 Eccl^l dated 11 October '65 is solicited for a
decision of this Fund from which it would appear that its
proceeds are to be devoted to charitable objects only
and not to such as now proposed by the Chapl.

C No.s. 253 & 280 of 1898

SUBJECT.

Repair of brass work in St: Mary's
Church, Fort St: George.

FOR ORDERS.

In the current at B the Garrison Chaplain of Fort St: George asks that Rs.45 may be sanctioned from St: Mary's Fund for the repair of brass work, consisting of altar rails and lectern, partly the gift of the late Princess of Tanjore in memory of the late Lord Hobart (Governor of Madras) and partly the gift of Lady Hobart in memory of her husband. Mr. Penny says that the D.P.W. cannot do work of the kind required, and the Church offertories are too small to meet such charges. Messrs. P. Orr & Sons have already executed the repairs satisfactorily.

2. The A. G. on being requested on to remark the application states at C that the balance of the Fund on 23rd August 1898 was Rs.2,217, but that he considers G.O.No.265 Eccl., d/11-10-65, (on page 12 of the book-file put up) limits the expenditure of the Fund to charitable objects.

3. Previous repairs of different kinds have been sanctioned in the G.O's flagged D and G and on page 104 of the book-file below. Orders are requested as to whether the grant asked for may be sanctioned.

The present Garrison Chaplain maintain that the St. Mary's Church Fund was intended for Church as well as school purposes (see letter D.O. 20.248 at D). On page 104 of the book file it will be seen that Rs 150 was paid ^{out of the fund} for covering barsocks & providing velvet covers for reading desk etc., while Rs 30 were paid for tuning the organ of the Church. The organist & Bellowsman are paid from the Fund (Flag W). It is submitted that the present charge may be sanctioned

I do not think that repairs from this fund is limited to church repairs. I think therefore that the proposed application for fund might be allowed
