The estimate of Rs: 28,000 is made up of:-
Rs: 2540 for two rooms - one for robing & one for food
" 350 for genl: improveml.
The site of this cemetery at Kodai Kanal was appraised in G.O. 17 Eccl d/16.2.93 and in G.O. 3270. W. d/16.12.90 Rs: 1550 were sanctioned "for enclosing and laying out" the cemetery.
From the estimate it appears that ^{a portion of} the Southern wall has fallen down and the Commr: states that the ground requires levelling and clearing.
The following Endt: to the P. W. Dept is submitted for approval:-

Encl. No. 1593
27-8-96.

Forwarded to the
P.W. dept with the re-
quest that it may be
stated what work was
actually done in con-
nection with the estim-
ate for Rs. 1550 which was
sanctd in G.O. No. 3270.W.
of 16.12.93 and which
was reported to be "for
inclosing and laying
out the proposed new
cemetery at Kodai Kanal".
It is now stated that a
portion of the southern
wall has fallen down
and that the ground
enclosed requires levelling
and clearing, but no
explanation is afforded
by the Supg. Engr. in his
letter forwarding the estim-
ate.

There seems to be
always trouble in regard
to these cemetery works
executed by the P.W. Dept.

from the P.W. dept. No ex-
planation of the need for
repairing the wall so soon
is vouchsafed but it ~~was~~ is
only rough stone in mud.

It is submitted that the
3501. for general improvements
may be approved at once;
but that there is no necessity
for spending 25401. on two
small rooms for robing
and keeping tools. The
cemetery is probably very
seldom used. As the wall
round the cemetery is
only such a Katcha affair
it seems quite out of keep-
ing that the tool house
should be so substantially
& expensive a structure

estimate of Rs 350 for mural
improvements is approved,
but that the estimate
amounting to Rs 2540 for
two small rooms for
robing & keeping tools seems
quite out of proportion
considering that the cemetery
itself is enclosed by only a
rough stone in mud wall.
There appears to be no necessity
for the substantial & expensive
structures estimated for.
No reason has been given for the
wall requiring repairs so
soon after construction.

FURTHER PAPERS.

FOR ORDERS.

The site of the cemetery
at Kodai Kanad was approved
in fo. 17 Eccel of 18.2.93 and
in P.W.D. fo. recorded in fo.
1 Eccel 11.1.94. Rs 1550 was sanctioned
for "enclosing & laying out"
the cemetery.

Attention is solicited
to the notes attached on
currents 175 & 247 dis-
posed of by Endt No 2099 of
14.10.96

In that Endt the Estimate of
Rs 350 for general improvements
was approved, but for consid-
ered that the Estimate amount-
ing to Rs 2540 for the two rooms
for robing & keeping tools
respecting was too high.

At

At the same time it was observed that no reason had been given for the wall, which had been put up in 1893/94, requiring repairs so soon after construction.

The P.W.D. now forwards two letters from the H & V Supply Engineer with their Enclosures, & asks if Govt is prepared to spend Rs 1990, the amount of the revised estimate, for the proposed rooms & improvements.

The estimate for the rooms has been reduced from Rs 2540 to Rs 1640. This latter sum with the Rs 350 for repairing the wall gives Rs 1990.

As regards the wall it is explained that the stones were small & not well placed, H & that the position that fell is directly exposed to the damage from a steep hill on which it is built. The Executive Engineer has been instructed to have proper catch drains excavated.

The present time is not favourable to further expenditure.

Orders are solicited.
