Law & Justice Budget.

NOTE FOR THE C.S.

It is impossible at present
to say definitely whether
the additional session judges
to be provided will be required
after the close of the present
official year. If the
Deputy's estimate of the
amount of work to be done
(in the do. at fig. D)
is accepted, the three
add. judges, with the help
of the session judge, should
be able to clear off the
cases in about 6 months,
& it would seem unnecessary
to provide for them in next
year's budget. Submitted
that this view might be
taken for the present. W.
