The Collector's estimate with two
returned for revision and re-
submission ^{at an early date} with reference to the
following remarks:-

(1) Provincial. 24D. Grants for
medical purposes. The Collector
has shown ^{in the} ~~Summary~~ Summary
Rs. ¹²⁰⁰ ~~1000~~ and 1140 as the revised
and budget estimates of charges
formerly incurred from Port & Marine funds,
but no details have been furnished
for these figures in the detailed
account. The ~~summary~~ ^{summary} should

now be supplied.

3. Local (Bined). The Collector shows a sum of Rs 19-8 as representing the pay of the substitutes appointed in place of the forest guards deputed for plague duty, while a corresponding entry does not appear in the

Establishment List. ~~There is no such charge in the~~

~~Provincial - H. Forest.~~

In the last quarterly estimate a sum of Rs 500 was entered under H Forest.

It is presumed that the item has been omitted in the present estimate with reference to G.O. no 1504 P of 17 Oct 99.

4. Municipal. The Collector is requested to submit separate estimate for each municipality. The one already submitted covering only

In G.O. no 1504 P of 17-10-99, entries for substitutes deputed for plague duty were ordered to be omitted, only when no substitutes are appointed.

only details under "Allowances, Supplies and Services and Contingencies" is insufficient as it is stated that some of the figures have been altered in the revised figures embodied in his consolidated estimate.

5. The following discrepancies should be explained:—

Budget Estimate for 1900-1901.
Provincial & Local. The aggregate charge under 'Servants' calculated with reference to the particulars given in the Col of remarks is Rs (48 x 12 =) 576 + 204 Rs 475 as entered in the estimate. Similarly under Local the Collector shows 5000 under 'Peons & Servants', but according to the particulars given in the remarks column, the aggregate charge amounts to Rs (353 x 12 =) 4236 + 242
