Budget Estimates.

Accepting the — of Civil Agency works in the Vizagapatam district for 1900-1901.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—again G.O., No. 1209, Financial, dated 4th November 1899.

READ—also the following papers:—

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency.

I have the honour to submit the budget estimate of Agency civil works for 1900-1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—*vide* G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapore estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency. I have the honour to submit the budget estimate of Agency civil works for 1900-1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—vide G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapore estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

Read-again C.O. no. 1209, Fin. & 4 Nov 99.

From W. O. HORNE, Esq., Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 22nd September 1899, Dis. No. 486 Agency.

I have the honour to submit the budget estimate of Agency civil works for 1900-1901.

2. In addition to the usual Provincial grant of Rs. 46,000, the Maharaja of Jeypore and the Zamindar of Kurapam have promised to continue their contributions of Rs. 10,000 and Rs. 250, respectively, for the year. The total amount at my disposal is, therefore, Rs. 56,250 against my budget estimate of Rs. 58,751. In budgeting for this latter figure, I have included the full annual allotments which will be required for the completion within five years of the three sections of the Jeypore-Bastar road as per my letter, R. C. No. 672, dated 18th August 1899, and in order to allow of this while not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in G.O., No. 1720, Judicial, dated 6th December 1897, except the roads to Lakshmipur from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs. 2,501 and in addition to this I shall be in need of another Rs. 1,499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs. 4,000, and I have taken it under "Receipts" as a special grant from Government—vide G.O., No. 714, dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Jeypore-Bastar section.

3. The sum of Rs. 1,000 promised by the Maharaja of Jeypore and the villagers of Gunupur for the sanitary arrangements at Jeypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapur estate, they will not be able to pay anything until the litigation between themselves and the Maharaja is finally settled. Hence credit is not taken for it in the budget.

FROM

W. O. Horner Esq.,

AGENT TO THE GOVERNOR,

Vizagapatam District,

TO

THE HONORABLE MR. G. Stokes

CHIEF SECRETARY TO GOVERNMENT,

Judicial DEPARTMENT,

Madras.

SIR,

I have the honor to submit the budget estimate of agency civil works for 1900-1901.

2. In addition to the usual Provincial grant of Rs 46000 the Maharajah of Mysore and the Zamindar of Kurapam have promised to continue their contributions of Rs 10,000 and Rs 250 respectively for the year. The total amount at my disposal is therefore Rs 56,250 against my budget estimate of Rs 58751. In budgeting for this latter figure I have included the full annual allotments which will be required for the completion within 5 years of the three sections

sections of the Teypore-Bastar road ¹⁹ as per my letter R.C. No. 672 dated 18th August 1899 and in order to allow of this which not exceeding my annual allowance by more than absolutely necessary, I have had to refrain from making any provision for any of the other works mentioned in the programme sanctioned in Government order No. 1720 Judicial dated 5th December 1897 except the roads to Lakshmiপুর from Sembliguda and Koraput which are in good progress and which it would be bad economy to stop. This causes my budget to close with a deficit of Rs 2501 and in addition to this I shall be in need of another Rs 1499 for my reserve to meet unforeseen charges as per experience of past years. This raises the additional amount required to Rs 4000 and I have taken it under "Receipts" as a special grant from Government (vide Government order No. 714 dated

dated 3rd May 1898. I trust this small sum may be found, otherwise the completion of the connection with Raipur, on which the Central Provinces Government is insisting, must be still further delayed by reducing the allotment for the Teypore-Bastar section.

3. The sum of Rs 1000 promised by the Maharajah of Teypore and the villagers of Gunupur for the sanitary arrangements at Teypore and Gunupur has been shown in the budget estimate on both the credit and debit sides. As regards the contribution promised by the heads of the Nowrangapur Estate, they will not be able to pay anything until the litigation between themselves and the Maharajah is finally settled. Hence credit is not taken for it in the budget.

I have the honor to be
Sir

It is submitted that the remarks of the Judicial Dept, on the budget may be invited with reference especially to these papers before any order is drafted.

NOTE FOR THE UNDER SECRETARY.

The agent has provided a sum of Rs 8000 for expenditure on the Jeypore-Bastar road in 1900-1901, as follows:—

Jeypore-Bongumma Section - Rs 3000
Bongumma-Kotpad .. Rs 3400

Flag. V (in linked file)

In his letter No 672 of 18-8-99, he explains how, with a similar allotment, he expects to turn this road (which is at present only a fair-weather road) into a first-class one in the course of five years. The work is included in the programme sanctioned in G.O no 1720 dated 6-12-97, and its completion is pressed upon by the ^{govt} of the Central Provinces. The provision may be allowed to stand.

B

2. The Agent has not taken into account the receipts from tolls - probably because their levy was sanctioned in G.O. no 1624 of 7-10-99 after his budget was submitted.

With reference to the notes & orders in the G.O., it is submitted that the Agent may be asked to revise his ^{budget} estimates by including

in it. An estimate of receipts from
the tolls the levy of which has been sanctioned.

Note for the Ch

The Agent has already
been called upon to submit the
estimate of receipts from tolls. As
the question is whether the additional
grant of Rs 4000 budgeted for by
the Agent should be admitted or
not, it is submitted that the file
may lie over pending receipt of
the estimate called for. It will
then be seen whether the estimated

Gvt. has just decided, in judicial, to promise to raise the ordinary grant (Rs. 46,000) by Rs. 2500 for five years to allow of the Jyesth Delta road being completed. The Agent has anticipated the order by giving credit for Rs. 2500 for the work. The grant he asks for therefore seems necessary.
