From

THE VENERABLE W. WESTON ELWES, M.A.,

Archdeacon of Madras.

To

The Honorable
The Chief Secretary
to Government.

Sir,

I have the honor to request that Government will be pleased to rule on what Cemeteries exactly Collectors are expected to report in their annual reports submitted to this Office.

2. I have always been under the impression that it is the wish of Government that Collectors should report on all Cemeteries both open and closed in their Districts in which Europeans and Eurasians are or have been buried.

3. The Deputy Collector of Madras however disputes this and his views are upheld by the Collector of Madras.

4. The Deputy Collector writes as follows:—

"Board's Standing Order No. 198 contains our instructions. Revenue Officers are required to report (i) on all Cemeteries which Government helps financially and (ii) on all abandoned Eurasian or European Christian burial grounds and tombs."

"It is unnecessary to report on Cemeteries open or closed which are kept in proper order and in the custody of the denomination concerned and for the upkeep of which Government does not contribute."

5. I would submit that it is convenient to have a report annually on all cemeteries open or closed under whosever charge and whether Government contributes to their upkeep or not.

I have the honor to be,

Sir,

Your most obedient servant,

J. H. B. 1852
