(1) For rule 116 in Section 11 (Inland Telegrams) the following shall be substituted, namely:—

“116. Postage.—No charge is made for postage on a telegram addressed to a place in India where there is no telegraph office, or to a place out of India to which Indian Inland Postal rates apply, e.g., Aden and Ceylon, but on telegrams to be posted to a place beyond the limits of the Indian Inland Postal Tariff, the following additional charges must be paid to cover postage and registration:

(i) On a telegram to be posted to the United Kingdom or any British Possession which has joined the Penny Postal Union—
one anna, if the message is to be posted unregistered, and
three annas, if it is to be posted registered.

(ii) On a telegram to be posted to a country which has not joined the Penny Postal Union—
three annas, if the message is to be posted unregistered, and
five annas, if it is to be posted registered.”

The charge for such a telegram is the usual inland rate according to class, and, as stated in Rule 116, there is no charge for postage.”

(3) For Rule 118 in the same section the following shall be substituted, namely:—

"118. Inland telegrams posted from Indian ports.—An Inland telegram telegraphed to an Indian port to be posted under Rule 116 to a place beyond Indian limits must have the name of the port preceded by the words *Post* or *Post Registered*, according as the sender wishes the message to be sent unregistered or registered, added to the address—

Circular No. 8.

Division of Customs and Insular Affairs.

War Department, Washington,
February 1, 1899.

The following order of the President, relative to quarantine regulations for ports in Cuba and Porto Rico, is hereby published for the information and guidance of all concerned:

Executive Mansion, Washington,
January 17, 1899.

To prevent the introduction of epidemic disease, it is ordered that the provisions of the Act of Congress, approved February 15, 1893, entitled "An Act granting additional quarantine powers and imposing additional duties upon the Marine Hospital Service," and all rules and regulations heretofore prescribed by the Secretary of the Treasury under that Act, are to be given full force and effect in the islands of Cuba and Porto Rico, and the following additional rules and regulations are hereby promulgated:

The examination in ports of the islands of Cuba and Porto Rico of incoming and outgoing vessels and the necessary surveillance over their sanitary condition as well as of cargo, passengers, crew, and of all personal effects, is vested in and will be conducted by the Marine Hospital Service, and medical officers will be detailed by the Secretary of the Treasury as quarantine officers at the ports of Havana, Matanzas, Cienfuegos and Santiago immediately, and other ports in the islands of Cuba and Porto Rico as soon as practicable or necessary. Quarantine officers shall have authority over vessels, their wharfage and anchorage in infected seaports, in so far as is necessary to prevent the infection of vessels or their personnel, and all vessels, including vessels of the Army Transport Service and merchant and coastwise vessels, leaving ports in the islands of Cuba or Porto Rico for the United States or for other ports in the islands of Cuba or Porto Rico, vessels of the United States Navy excepted. Quarantine officers will enforce necessary measures on incoming vessels through Collectors of Customs at ports of entry, who will not permit entry without quarantine certificates, and bill of health shall not be given to an outgoing vessel unless all quarantine regulations have been complied with. All officers of the Army Transport Service and medical officers of the Army and Marine Hospital Service on duty on Army transports will use every precaution to prevent danger of exposure to infection of crews while in ports in the islands of Cuba or Porto Rico.

Since the quarantine service herein provided is for the protection of the islands of Cuba and Porto Rico as well as the protection of the United States against both, the expenses arising therefrom will be charged at present both against the revenues of these islands and the epidemic fund; said expenses will be divided equally against both; payments, however, to be made out of the epidemic fund and reimbursement made thereto from the revenues of the islands of Cuba and Porto Rico.

WILLIAM MCKINLEY.

This order to be duly proclaimed and enforced at ports in Cuba and Porto Rico.

G. D. MCKLEJOHN,
Assistant Secretary of War.

- (6) The Bishop of the Diocese may withdraw his assent to use the Church for the worship of any congregation other than that of the Church of England whenever he shall think fit.

- (7) If in any case dissatisfaction is felt with any order passed under these rules either as to the use of a church by a congregation not belonging to the Church of England or as to the hour at which it is made available for the use of such congregation, the Senior Chaplain of the Church of Scotland or the General Superintendent of the Wesleyan Church, as the case may be, may bring the matter before the Lieutenant-General of the Command, through the General Officer Commanding the District; and the Lieutenant-General shall then, if he considers this necessary, communicate with the Bishop in order, if possible, to arrange the matter with him.
