From

The Chairman,

Madras Trades Association,

Madras.

To

The Chief Secretary

to the Government of Madras,

Ootacamund.

Sir,

It has been brought to the notice of the Trades Association that in December last Messrs P.Orr and Sons, a Member of this Association, manufactured for the Inspector of European and Training Schools, Madras, a special set of Drawing Instruments, and after subsequent personal interviews and correspondence with that Officer they submitted an estimate for 30 sets. In reply they were informed that the sanction of Government had been requested for the purchase.

Not having heard further Messrs P.Orr and Sons wrote to the Inspector reminding him of the matter when they were informed that he had been directed by the Government to submit an Indent on the Director General of Stores for the Drawing Instruments in question.

The Committee of the Trades Association beg to in reference to the above facts to invite the attention of the Government of Madras to the Resolution of the Government of India 19th February

26 A 4
1906, No.1243-1252 wherein it is expressly stated that the only restrictions placed upon local purchases are that the articles must be of suitable quality and obtainable at a price not appreciably higher than that at which they could be imported. In the case in point Messrs P.Orr and Sons manufactured for the Inspector a special set which was approved and the price also having been thought suitable an estimate was submitted at the Inspectors request. The two conditions required by the Resolution having therefore been complied with the Association is at a loss to understand the action of Government, which is opposed to the orders of the Government of India directing a larger encouragement to local industries; the rule enforcing the ordering of all goods over Rs.50/- in value from the India Store Department does not apply here, as the goods in question are of local - not European manufacture - and should have been ordered in this country.

I have the honour to be,

Sir,

Your Most Obedient Servant,

Edw Woss

Chairman,

Madras Trades Association.
