(c) To help in forming, under the control of the Director of Public Instruction, (i) an educational library containing copies of all text-books approved from time to time by the department, copies of text-books approved or prescribed in other provinces of India and in other countries, and copies of works on the theory, the practice, and the history of education; and (ii) an educational museum containing plans and models of school buildings and specimens of maps, diagrams, apparatus and appliances suitable for schools.

2. The committee shall consist of not more than twenty members in addition to the president.
