To the Secretary to the Government of Madras,
Educational Department

Su,

I have the honour to request you will be so good as to obtain the early sanction of Government to the admission, as a special case, of two Eurasian ladies, Laura Stephens and Letitia Brown, as private pupils of the Rayapuram Medical School. Although they are non-Matriculates, they have passed the Lower Secondary Examination and have studied up to the Sixth Form. Their admission is recommended by the Superintendent of the Medical School; and the Principal of Stanes' High School, Coonoor, in which they have been reading says that they bear an excellent character, that they are residents of the Nilgiris where there are no lady apothecaries, and that they "deserve encouragement in their desire to qualify themselves as

Hospital

Hospital Assistants".

NOTES.

C. No. 1454 From the D.P.I. No. 4200, dated 14-6-1907.

SUBJECT.

Admission of Laura Stephens and Letitia Brown into the Medical School, Rayapuram.

The D.P.I. requests sanction of Govt. to the admission into the Medical School, Rayapuram, of Laura Stephens and Letitia Brown as private pupils.

2. The candidates have not passed the matriculation examination, which is the general educational qualification prescribed for admission into the Hospital Assistants' Class - vide Rule 24 on page 9 of G.O. no. 171 Edl dated 11th March 1904. ~~But~~ the D.P.I. says ^{that} they have passed the Lower Secondary examination and have studied up to the sixth form.

3. The Director further states that the Supdt. of the Medical School recommends their admission and that the Principal of Stanes' High School, Coonoor in which they have been reading says that "they bear an excellent character; that they are residents of the Nilgiris where there are no ^{female} (lady) apothecaries and that they deserve encouragement in their desire to qualify themselves as Hospital Assistants."

4. It is for consideration whether their admission may be sanctioned.

T.H.
20-6-07.

Please see G.O. No. 253 Edl dated 29th May

may 1907, in which the Govt. declined to
 sanction the admission into the medical
 School of Anna Domingo, whose case
 was more or less similar to that of the
 two Candidates now recommended by the D.P.D.
 The fact that these two Candidates are
 residents of the Nilgiris where there are
 no female apothecaries, may perhaps be
 considered to be a special circumstance
 in their favour.

 21.6.7

The applicants, of the same common to
 the Medical school should continue
 their studies in the same (High School,
 or elsewhere and pass the Matriculation
 Examination. They should show themselves
 to be qualified before admission.

I am not aware that there
 is any special demand for female
 apothecaries in the Nilgiris, and
 the argument that they are residents of
 the Nilgiris is of no force when
 appointments outside the Nilgiris
 are considered.
