Memorial—from Miss A. M. C. ARNOLD, Senior Inspectress of Girls' Schools, Madras.
To—the Right Honourable the Secretary of State for India in Council (through the
 Director of Public Instruction and the Government of Madras).
Dated—the 17th May 1907.

RESPECTFULLY SHEWETH,—That your memorialist was appointed Senior Inspectress of Girls' Schools in June 1905 and was then transferred from Coimbatore to Madras. That her salary was raised from Rs. 490 to Rs. 500 a month, an increase quite out of proportion to the increase in her expenses consequent on her residence in the Presidency Town, and that she therefore suffers considerable pecuniary loss. That the intense heat of Madras necessitates a large expenditure in the shape of house-rent, punkah-pulling, maintenance of a conveyance, etc., without which it is impossible to maintain the physical health necessary for the adequate performance of her very arduous duties. That she is now in a worse financial position than she has been since her appointment as Third Inspectress of Girls' Schools in 1902 with head-quarters at Coimbatore.

That the work of your memorialist is similar to that of an Inspector in kind and is much greater in quantity. That whereas there is one Inspector appointed for technical schools, one for European and training schools and colleges, and others for ordinary schools and colleges, your memorialist is in charge of all girls' schools and colleges irrespective of classification or standard and that in addition she has the entire management of 45 Government girls' schools, a class of school which does not exist for boys. That her work is more arduous, more responsible and much more extensive than that of any individual Inspector. That her salary after fourteen years' service is the same as that of an Inspector when he is first appointed. That she cannot rise beyond Rs. 600 a month, while an Inspector is in receipt of Rs. 1,000 after ten years' service and the present Senior Inspector is now drawing Rs. 1,000 *plus* Rs. 500 personal allowance. That the very large difference between her salary and that of an Inspector is not to be accounted for by the fact that it is customary to pay women at a lower rate than men.

That the standard of female education in this Presidency is very higher than in any other part of India. That the work of other Inspectresses is not to be compared in scope, quantity and standard to the work of the Inspectresses in this Presidency. That the argument put forward that increased remuneration to the Inspectresses of this Presidency would necessitate increased remuneration to the Inspectresses in other parts of India is not one that appears justifiable or reasonable in view of the difference of circumstances.

That there are two senior allowances of Rs. 250—500 and two junior allowances of Rs. 200—250 which are given to certain officers in the Indian Educational Service and such officers as are not in receipt of one of these allowances are given a special allowance of Rs. 100 a month after fifteen years' service. That the Inspectresses belong to the Indian Educational Service but no such allowances have been granted to them. That an arrangement somewhat similar to the above may be sanctioned for them and that one junior allowance of Rs. 200—250 and special allowances of Rs. 100 a month after fifteen years' service may be granted.

And your memorialist will, as in duty bound, ever pray.

From the Director of Public Instruction, dated 27th May 1907, No. 43.

Miss Arnold, Inspectress of Girls' Schools,* Central Circle, submits a memorial

* Salary Rs. 500—20—600. to the Secretary of State requesting that a personal allowance of Rs. 200—10—250 and special allowances of Rs. 100 a month after fifteen years' service may be sanctioned for Inspectresses of Girls' Schools in this Presidency.

2. She bases her requests on the following grounds:—

(1) That since her appointment as Senior Inspectress of Girls' Schools in June 1905 and her consequent transfer to Madras (from Coimbatore), she has suffered in pocket on account of the cost of living in a hot place like Madras, while her salary was only raised from Rs. 490 to Rs. 500.

(2) That her work, while being similar to that of an Inspector of Schools in kind, is much greater in quantity, she being in charge of all classes of girls' schools, whereas there are separate Inspectors for technical schools, for European and Training schools and for ordinary schools. She has the entire management of 45 Government girls' schools, while the Inspectors have no Government schools to look after.

(3) That her work is more arduous, more responsible and more extensive than that of any individual Inspector.

(4) That the highest pay † she can get is only Rs. 600, but that an Inspector

	RS.
† First Inspectress	500—600
Second "	450—500
Third "	400—450

receives Rs. 1,000 after ten years' service and can hope to get a personal allowance of Rs. 500. That this difference cannot be accounted for by the fact that it is customary to pay women at a lower rate than men.

(5) That as the standard of female education in this Presidency is very much higher than in any other part of India and as the work of Inspectresses in other Presidencies cannot be compared with the work of Inspectresses in this Presidency in scope, quantity and standard, it cannot be said that increased remuneration to the Inspectresses of this Presidency would necessitate increased remuneration to the Inspectresses in other parts of India.

3. The question of increased remuneration to Inspectresses had previously been under the consideration of Government on more occasions than one. In 1902, the late Mr. Stuart recommended that the prospects of Inspectresses in this Presidency should be improved and proposed that the two Senior Inspectresses should be given the special allowance of Rs. 100 per mensem which might be awarded to an officer in the ordinary Indian Educational Service who had reached his maximum pay of Rs. 1,000 and had served for fifteen years—*vide* page 5 of G.O., Nos. 87, 88, Educational, dated 18th February 1902.

4. The Hon'ble Mr. Forbes then noted (as Chief Secretary in the Financial Department) that the Director of Public Instruction underrated the value of the salaries paid to Inspectresses; that they were very high for women; and that there were no special considerations calling for the sympathy or the charity of Government. The Hon'ble Mr. Forbes also then remarked that in no other province an Inspectress reached so high a salary as Rs. 600 except one in Bengal. All the Members of Government agreed in the above view and the Director of Public Instruction was informed that the Government did not consider that a case had been made out for the grant of the proposed personal allowances to the two Senior Inspectresses—G.O., No. 514, Educational, dated 28th August 1902.

Vide pages 3 and 4 of K.W. G.O., No. 514, Educational, dated 28th August 1902. The Hon'ble Mr. Forbes also then remarked that in no other province an Inspectress reached so high a salary as Rs. 600 except one in Bengal. All the Members of Government agreed in the above view and the Director of Public Instruction was informed that the Government did not consider that a case had been made out for the grant of the proposed personal allowances to the two Senior Inspectresses—G.O., No. 514, Educational, dated 28th August 1902.

5. In 1903, Mr. Stuart again addressed the Government, at the instance of Miss Carr, for improving the position of the Inspectresses by raising the scale of their salaries, but his proposals were rejected by Government in G.O., No. 149, Educational, dated 31st March 1903.

6. In October 1905, Miss Arnold addressed the Director of Public Instruction on the subject of an increase to her salary and Dr. Bourne declined to reopen the question saying that Government had rejected several proposals to raise the emoluments of the Inspectresses by personal allowance or otherwise—*vide* the Director of Public Instruction's Proceedings, No. 8173, dated 16th December 1905, on page 3 of G.O., No. 663, Educational, dated 12th October 1906.

7. In August 1906, Miss Arnold submitted a memorial to this Government requesting that she might be granted a personal allowance of Rs. 200 per mensem after fifteen years' service on much the same grounds as those put forward in her present memorial. Her request was then fully considered and rejected, the Honourable Member adhering to the views he expressed as Chief Secretary in the Financial Department in 1902.

Page 5 of K.W. G.O., No. 663, Educational, dated 12th October 1906.

8. The question of increasing the emoluments of the Inspectresses by personal allowances or otherwise has thus been considered several times and has been definitely rejected. There appears to be no sufficient reason now for any reconsideration of the matter. Miss Arnold's memorial is addressed to the Secretary of State and it does not appear that it can be withheld under the Memorial Rules. It may therefore be forwarded to the Secretary of State with a full statement of facts and an expression of opinion as required by rule IV of A. Memorial Rules.

The humble Memorial of A.M.C. Arnold, Senior Inspectress of Girls'

Schools, Madras, to the Right Honourable Mr. John Morley, Secretary of State for India in Council,

Through the Govt of Madras.

Respectfully sheweth

That your memorialist was appointed Senior Inspectress of Girls' Schools in June 1905 and was then transferred from Coimbatore to Madras. That her salary was raised from Rs.490 to Rs.500 a month, an increase quite out of proportion to the increase in her expenses consequent on her residence in the Presidency Town, and that she therefore suffers considerable pecuniary loss. That the intense heat of Madras necessitates a large expenditure in the shape of house rent, punkah pulling, maintenance of a conveyance etc., without which it is impossible to maintain the physical health necessary for the adequate performance of her very arduous duties. That she is now in a worse financial position than she has been since her appointment as Third Inspectress of Girls' Schools in 1902 with headquarters at Coimbatore.

That the work of your memorialist is similar to that of an Inspector in kind and is much greater in quantity. That whereas there is one Inspector appointed for technical schools, one for European and Training schools and Colleges, and others for ordinary Schools and Colleges, your memorialist is in charge of all girls' schools and Colleges irrespective of classification or standard and that in addition she has the entire management of 45 Government Girls' Schools, a class of school which does not exist for boys. That her work is more arduous, more responsible and much more extensive than that of any individual Inspector. That her salary after fourteen years' service is the same as that of an Inspector when he is first appointed. That she cannot rise beyond Rs.600 a month while an Inspector is in receipt of Rs.1,000 after ^{ten} years' service and the present senior Inspector is now drawing Rs.1,000 + Rs.500 personal allowance. That the very

large difference between her salary and that of an Inspector is not to be accounted for by the fact that it is customary to pay women at a lower rate than men.

That the standard of female education in this Presidency is very higher than in any other part of India. We have the honour to submit for your consideration a memorial from Miss A.M.C. Arnold, First Inspectress of Girls' Schools in this Presidency, requesting that Inspectresses of Girls' Schools in the Presidency may be granted a personal allowance of Rs. 200-10-250, similar to the two junior allowances attached to the regular appointments in the Indian Educational Service, and special allowances of Rs. 100 a month after fifteen years' service.

2. There are three appointments of Inspectress of Girls' Schools in this Presidency and all of them are included in the Indian Educational Service. The pay of the Inspectresses is fixed as follows

1st Inspectress - Rs. 500-6-0
2nd do - Rs. 450-5-0
3rd do - Rs. 400-4-50

follows:--

	Rs.
First Inspectress	500-20-600
Second Inspectress	450-10-500
Third Inspectress	400-10-450.

These Inspectresses are not eligible for the two senior allowances of Rs.250-50-500 and the two junior allowances of Rs.200-10-250 which are granted to selected officers in the Indian Educational Service, nor for the special allowances of Rs.100 a month which are granted after fifteen years' service to officers in the Indian Educational Service whose total salaries do not exceed Rs.1,000 per mensem.

3. The question of increasing the pay of the Inspectresses by the grant of personal allowances or otherwise has ~~often~~ ^{on several occasions} been under the consideration of this Government and it has repeatedly been held that no case existed for any increase. We consider that the pay fixed for Inspectresses of Girls' Schools in this Presidency is sufficiently liberal and is higher than that given in many other provinces and we do not therefore see any reason to recommend the prayer of Miss Arnold.

4. As regards the particular case of Miss Arnold, ~~we beg to state that~~ she was first appointed for a period of five years by Lord Cross in 1892 as Superintendent of the Presidency Training School for Mistresses, Madras, on a salary of Rs.350 plus a carriage allowance of Rs.50 per

2-411 19 38

per mensem. The pay of the post was subsequently raised to Rs.350-10-450 without carriage allowance and Miss Arnold continued to hold it until 1901 when she was appointed to the post of Third Inspectress of Girls' Schools which was then newly created. She was subsequently promoted to be second and thereafter first Inspectress in the years 1903 and 1905. Miss Arnold has thus been singularly fortunate in ^{her} promotions. She has now put in barely fifteen years' service and draws a salary of Rs.540 per mensem and has not yet reached the maximum pay of her present post, namely Rs.600. She applied to us in September last for the grant of a personal allowance to her of Rs.200 per mensem but we declined to comply with her request.

5. In these circumstances we are of opinion that Miss Arnold is not entitled to any special consideration.
