Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 23rd May 1907.

No.—Ref. on Cur. No. 2161.

The Resident in Mysore has approved of my suggestion that the Sub-Assistant Inspector of Schools in the Civil and Military station of Bangalore may, as has already been done in the case of the Sub-Assistant in Coorg, be included in the *cadre* of Sub-Assistant Inspectors in this Presidency and that he may also be given a fixed travelling (or conveyance) allowance of Rs. 25 per mensem. As, however, the work and responsibilities of this officer are not so onerous as those of the Sub-Assistant in Coorg, the Resident considers that it would be sufficient to provide for a probationary grade Sub-Assistant and that, if an officer of a higher grade is deputed to the station, the expenditure from the revenues of the Assigned Tract should be limited to Rs. 100 a month (Rs. 75 *plus* fixed travelling allowance of Rs. 25). The Sub-Assistant Inspector's present pay is Rs. 75; but it is an isolated appointment with no prospect of promotion. The proposal, therefore, though restricted by the Resident in the manner above submitted would still improve the position of the Bangalore Sub-Assistant Inspector who can look for promotion when his turn comes in the Madras service. It would also indirectly improve the Madras service where the number of Canarese Sub-Assistant Inspectors of Schools is small and an addition to it is desirable from an administrative point of view. In these circumstances I have the honour to request that the sanction of Government may be obtained to the inclusion of the appointment in the *cadre* of Sub-Assistant Inspectors in this Presidency in the probationary grade.

Order—No. 423, Educational, dated 3rd July 1907.

The proposal to include the appointment of Sub-Assistant Inspector of Schools in the Civil and Military station, Bangalore, in the *cadre* of Sub-Assistant Inspectors in the Madras Presidency and to pay him a fixed travelling (conveyance) allowance of Rs. 25 per mensem is approved, on the understanding that the addition to the *cadre* on this account is made in the probationary grades and that if an officer of a higher grade is deputed to the station the expenditure from the revenues of the Assigned Tract should be limited to Rs. 100 a month.

From the Director of Public Instruction, Madras, dated 23rd May 1907, Ref. on Cur. No. 2161.

The colleges and schools in the Civil and Military station of Bangalore and in Coorg were placed for administrative and educational purposes under the Director of Public Instruction in Madras subject to the general control of the Resident in Mysore and Chief Commissioner, Coorg, under the sanction conveyed in the Secretary of State's despatch to the Government of India, No. 5, Public, dated 19th January 1899, printed with G.O., No. 147, Educational, dated 13th March 1899. Rules for the guidance of the Madras Educational officers in the inspection and control of these schools were, with the concurrence of the Resident and Chief Commissioner, approved in G.O., No. 606, Educational, dated 29th September 1898. The last of these rules ran as follows:—

"The Government appointments in Bangalore and Coorg carrying a pay of Rs. 50 and upwards shall be treated as if they were included in the Madras Provincial or Subordinate Educational service with corresponding emoluments, and the incumbents in the Bangalore and Coorg services and in the Madras Educational services shall be eligible for promotion in the Madras Educational and Bangalore and Coorg services, respectively."

2. With reference to this rule the headmastership of the Central School, Mercara, Coorg, was, with the sanction of the Government of India conveyed in their letter No. 435, dated 24th October 1901, printed with G.O., No. 628, Educational, dated 1st November 1901, transferred to the Madras Provincial Educational service list.

3. Subsequently when the rules were revised, the rule above quoted was retained as rule 19—*vide* appendix to G.O., No. 2, Educational, dated 2nd January 1902; but in 1904 when separate rules were framed for Coorg, this rule, which appeared as No. 14 in the draft on pages 2 and 3 of G.O., No. 222, Educational, dated 6th April 1904, was omitted—please see paragraph 2 of Mr. Cardew's note and paragraph 8 of Dr. Bourne's note on pages 3 and 4 of the notes with this Government Order, also paragraph 1 (6) of the order.

4. In November 1904 the revised rules framed for the inspection of schools and colleges in Coorg were adopted for Bangalore also—*vide* G.O., No. 681, Educational, dated 17th November 1904.

5. In 1906 the post of Sub-Assistant Inspector of Schools in Coorg was added to the Madras list so that he might receive grade promotion with or without actual transfer and might eventually be eligible for promotion to the Provincial Educational service, the actual salary drawn by him being debited to the Coorg revenues—*vide* G.O., No. 645, Educational, dated 3rd October 1906.

6. The Director of Public Instruction (the Hon'ble Mr. Logan) now proposes that for similar reasons the post of Sub-Assistant Inspector of Schools in the Civil and Military station, Bangalore, may be similarly included in the cadre of Sub-Assistant Inspectors in this Presidency and that he may also be given a fixed travelling allowance of Rs. 25 per mensem. As the work and responsibilities of the Sub-Assistant in Bangalore are not so onerous as those of the Sub-Assistant in Coorg, the Resident considers, and the Director of Public Instruction agrees with him, that it would be sufficient to provide for a probationary grade Sub-Assistant, and that if an officer of higher grade is deputed to the station, the expenditure debitable to the revenues of the Assigned Tracts should be limited to Rs. 100 (Rs. 75 pay and Rs. 25 travelling allowance).

7. The proposal will necessitate the creation of an additional post of probationary Sub-Assistant Inspector. The existing number of Sub-Assistant Inspectors of Schools in this Presidency is as follows:—

Paragraph 4 of letter to Government of India, No. 493, Educational, dated 20th August 1902, on page 129, Civil Budget Estimate for 1907-1908.

First	class, 12 on Rs. 175 per mensem.
Second	" 22 " " 150 "
Third	" 32 " " 125 "
Fourth	" 40 " " 100 "
Probationary	" 21 " " 75 "

8. The Director of Public Instruction states that this arrangement will indirectly benefit the Madras service where the number of Canarese Sub-Assistants is small and an addition to it is desirable from an administrative point of view. If the proposal is approved, the Resident will address the Government of India and obtain the requisite sanction.

Sir,

The Resident in Mysore has approved of my suggestion that the Sub Assistant Inspector of Schools in the Civil and Military Station of Bangalore may, as has already been done in the case of the Sub Assistant in Coorg, be included in the cadre of Sub Assistant Inspectors in this Presidency and that he may also be given a fixed travelling /or conveyance / allowance of Rs 25 per mensem.
