Exemption of certain officers

REVENUE DEPARTMENT.

C. No. 6205, From the B. (N) Dept., No. 104/111 Dated 21.5.1907.

[Awaiting papers called for from District
Papers received 14.6.07]

To Secy:

The Board submits three lists showing
(1). Assistant Inspectors
(2). Sub Inspectors 1st and 2nd grade
(3). Clerks and Accountants Drawing Rs 50
and above

who were on 1st April 1907 40 years of
age and had completed 20 years service
and requests that they may be exempted
from passing the special tests shown
against their names to enable them to
hold their present posts or any higher
posts below the grade of Inspector for which
they may be found eligible.

2. In G.O. No 936 of 22.4.1907 the
Govt exempted from passing certain special
Tests 34 officers of the Inspector grade in
the Salt, Muzari and Customs dep^t, each
of those officers being over 40 years of
age and having completed 20 years service
on 1st April 07.

3. The question for consideration whether
the concession allowed to Inspectors should
be extended to Assistant Inspectors, Sub
Inspectors and clerks. It is respectfully

Of it does, they can be refused. Nor is there any reason to suppose it will have any such effect. In the Sep Rev: Dept, the Spl Tests ^{rules} have, for years, not been enforced. It is now proposed to enforce them. As a preliminary step, it is ~~proposed~~ ^{also proposed} to exempt a number of elderly men who have been promoted, tho' unpassed, & who can't now be made to pass with any advantage.

submitted that if the Board's recommendation were sanctioned it is likely to give rise to similar applications from other heads of dep^{ts}. In other Offices also there are likely to be Officers above 40 years of age and with 20 years service who have not completed their special tests and it would it is thought be unwise to sanction exemption in the present case and refuse the concession in the case of others who are similarly circumstanced. The case of Inspectors was it is submitted, special and that ought not to be allowed to be cited as a precedent for other cases.

4. The Board in this connection reports the exemption of Messrs. Triestram and Crocker from passing certain special tests to enable them to hold the post of Trucking Inspector of machines and mechanic (but Inspector) in the workshop attached to the Tondiarpet storehouse respectively. As pointed out by the Board the tests are not required in their case and the exemption is sought for only to enable them to hold their present posts. Submitted that this may be sanctioned.

F 1. Please see the Notes in G.O. No 936 dated
22 April 1907 - ~~22 April 1907~~ The
Hon. Member noted on 21 Nov 06 that the
liability to pass the Spl Tests, which has hitherto
not been enforced in the Sep. Rev. Dept., cannot
be enforced without notice, & that officers, in
regard to whom the Bd was satisfied that they
have suff^t knowledge of their duties, might
be definitely exempted at once. H.E. the Gov^r
agreed, & the Hon. Mr Hammick took a
similar view. Accordingly 34 Inspectors
were exempted. The Bd proposes to carry
out the same principles in regard to Asst
Insps, Sub Inspectors & Clerks. The same
reasons apply. The papers show that
hitherto the rules regarding Spl Test Exams
have not been regularly enforced. Three
courses are then open - (1) to let things go on
as before (2) to enforce the rules in ^{future} ~~past~~, exemp-
ting men who have reached a certain age
& service - (3) to enforce the rules in future, ex-

⁴/₁₀ 11
 emptying nobody irrespective of age & service.
 If the rules ^{as lay down certain tests} are to remain it is not desirable
 to let things go on as before, ^{as it is submit} ~~the~~ objection
 able to prescribe certain tests for certain appointment ^{or in}
 & only enforce the rule spasmodically ~~in~~ ⁱⁿ individual cases.
~~as to the existence of the Dept.~~ If the rules
 are in future to be enforced, it is reasonable,
 I submit, to exempt fr^m their operation men
 who have passed a certain age & service. These
 men might have passed, if the rules had been
 regularly enforced in past years. The omission
 to enforce the rules hitherto has led them to
 neglect to pass until they have reached an
 age at w^h the memory becomes less retentive
 & the difficulty of examⁿ is increased. Moreover,
 the utility of passing the examⁿ is diminished,
 as the ~~officer's~~ ^{service} when the officer has com-
 pleted 20 years ^{service} & upwards, & has only 5
 or 10 years' more to serve. It may also be
 presumed that the Bd is satisfied that these
 officers ^{have an} ~~are~~ efficient knowledge of their duties.
 In these circ^s I submit that in transferring
 the papers to the Educ^l Dept it may be
 recommended that the Board's proposals
 may be approved.

17 607

Yes. I think the Bd's proposals may be approved

The Board's proposal may be accepted.

The appointments held by Messrs. Tinsdale & Crocker are of a special nature.

The other exceptions so far as they relate to officers of 40 years of age and 20 years service are somewhat wholesale.

The only point of doubt is whether they should be exempted for further promotion to posts below the grade of Inspector for which they may be found eligible.
