NOTES.

C. No.1607, from K. Kodanda Ramayya, Pleader, Sompeta, Ganjam District.

Subject.

Proposal to institute H.E. Lady
Minto's Lady F.A. Gold Medal.

Early please.

(1) The letter is not very clear as to whether the medal is to be a single medal for the first Lady who passes the F.A. examination or whether it is to be an annual medal for the first Lady in point of merit who passes the F.A. examination in each year.

(2) The application should presumably go to the University for acceptance of the medal. Are any papers available about the previous medals for B.L., B.A. and Matriculation referred to?

(3) Perhaps Mr. Kodandaramayya desires Government to obtain H.E. Lady Minto's approval of the association of her name with the medal.

H.D.T.
6-7-07.

(1) The letter from Mr. Kodanda Ramayya is not clear as to whether the present proposal relates to the institution of a permanent medal or to a single medal to be awarded to the first Lady who passes the F.A. Examination. But from the last sentence of his letter addressed to His Excellency wherein he says "I shall make it permanent" it looks

Page 4 of the letter
in cf.

1 5
looks as if his present proposal is for the award of a single medal only.

(2) No information is available in this office as to the medals for the B.L., B.A., and the Matriculation Examinations referred to by Kodanda Ramayya. No mention is made of these medals in the University Calendar for 1906-07 and if an endowment has been created for these medals it must be under the management of the University. This application should also, if it is submitted, have been made to the University.

(3) Mr. Kodandaramayya's letter does not contain any specific request for obtaining the approval of H.E. Lady Minto to the association of her name with the medal, although it is possible that this is his intention.

2. The application of Kodanda Ramayya may perhaps be forwarded to the University for disposal.

Perhaps Mr. K. Ramayya may be told that he has received his offer with pleasure & that the letter has been transmitted to the University for necessary action.

Plenipotentiary as to what has been done before in cases where it was proposed to associate certain names with medals & endorsements. The Gov. cannot assent to a medal being given a particular name without consulting the person after whom it is named.

The same sentence I fancy focused
certain observations in the name of
L. J. Thomson, whose consent was first
obtained by Lin.

2. In the case of a medal to be
provided from an endowment to Lord of ~~1811~~
the Prince of Wales visit to Naples in
1806, I believe HRH's prior consent
was obtained.

145. Lady Anneshill, I believe,
declined to allow the Gubabadun
waterworks at Kumbhghat for which a
donation - since withdrawn - was given by
the Zamindar of Kapildwaran. She called
after her name.

Here is a letter enclosed to His Excellency.
Hence the covering letter should have
been addressed to the Private Secretary.

I think that this letter is clearly intended
to bring ~~the~~ the Kodjane Pararra into personal
possession: it is also intended as a means

of obtaining the Lady's initials
approval for the use of her name.

Look up present plans so that
if this can be sent on, an
indication of the proper course
may be ~~afforded~~ given to Mr

K. Raniak. It seems at present to
be not within the purview of the Dept.

6.7.07

Please see G.O. no. 54 Educational,
dated 30th January 1906, which
contains the papers relating to the
Association ^{of the name} of H.R.H. the Prince
of Wales with a medal endowed
by M.R.A. Sankarayya. In this
case, Sankarayya first addressed
Sir Walter Lawrence on the subject,
and on this ^{gentleman's} suggestion that appl.
should be made to the Govt. of
Madras, and on a ^{similar} reply to the
same effect having been returned
by the Registrar of the Madras
University, Sankarayya applied
to Govt. and the permission of
H.R.H. the Prince of Wales to as-
sociate his name with the medal
was obtained by H.E. the Governor.
The Registrar of the Madras University

was then asked to take the steps
for the institution of the medal.

2. ^{In 1904} The Zamindar of Kapileswarapuram
Pargana, expressed the desire that the
proposed waterworks at Gilakaladur
in the Masulipatam Municipality, towards
the cost of which he made a liberal
contribution, should be named after
Her Excellency Lady Anpithil. The
Asst. Secy. Local Muni. Department
then wrote semi-officially to the
P.S.G. requesting the latter to as-
-ertain the wishes of Her Excellency
in the matter.

3. In the same case, it was sub-
-sequently proposed to call the
works "Empress Alexandra waterworks"
and the Secretary and ^{the} Honble
Member Sri James Thomson, con-
sidered that there was no objection
to the proposal - vide page 3 of K.W.
80. 872m. Dated 4th May 1905.

4. No papers can be traced
relating to the ^{scholarship} medal instituted
by Mr. Kodanda Ramayya in the
name of Sri James Thomson. Such
proposals do not generally come
up to Govt. unless there is a question

of Govt grant.

5. In the present case, ~~an~~ Mr. Kodanda Ramayya's letter, which has been addressed to His Excellency the Governor, may perhaps be forwarded to the P.S.G. for such action as he may deem fit to take, and Mr. Kodanda Ramayya informed that his letter has been forwarded to the
