NOTES CONNECTED WITH G.O., No. 468, EDUCATIONAL,
DATED 20TH JULY 1907.

[SUBJECT.—Upper Subordinates required for employment in the Engineering College.]

PUBLIC WORKS DEPARTMENT.

Previous paper.

G.O., No. 222, Edl., dated 15th April 1907.

From the Director of Public Instruction, dated 30th April 1907, No. 2608.

In the Educational Department order read above, the Chief Engineer is asked to depute a suitable Overseer of the third grade who will draw Rs. 60 + 25 to take the place of K. Srinivasa Aiyangar (temporary Overseer on Rs. 100 + 25) as Assistant Instructor in the College of Engineering, Madras, in July next. The latter is reverted from the College to the Public

Works Department on the ground that his pay is too high for the College.

Another Upper Subordinate is also required for employment at the College for six months from the 30th June next.

From the personal registers of the temporary Upper Subordinates in the Rs. 80 and Rs. 60 grades, I have selected the following as the best :—

Name.	Examinations passed.	Salary they would draw, if employed, in Public Works Department in Presidency town.	Age.	Total service in the department.	
		RS.		YRS.	MONS.
A. Raghavendra Rao	Engineer-Subordinate test ..	80 + 25 = 105	26	3	3
A. L. Gnanadikam	Do.	80 + 25 = 105	26	3	0
R. Mahadeva Aiyar	Engineer test	80 + 25 = 105	28	2	0
G. Venkatachala Aiyar	Engineer-Subordinate test ..	60 + 25 = 85	28	2	6
B. Lakshminarayana Rao ..	Engineer test	60 + 25 = 85	..	1	1

The personal registers of these men may be sent to the Director of Public Instruction with the request that he may select the men he requires. The selected men will have to be given the salary shown against their names.

The places of these men may, as already approved by the Secretary be filled up by appointing men selected from passed College students who have been asked to submit testimonials from the Executive Engineers under whom they served their practical course. Their replies are coming in.

As the Director of Public Instruction is now at Ootacamund, this file may perhaps be sent to him here u.o.

T.S.R.—21-5-07.

To the Director of Public Instruction.

A. G. ROMILLY—21-5-07.

I select *R. Mahadeva Aiyar* to take the place of *K. Srinivasa Aiyangar* and *B. Lakshminarayana Rao* to be an additional Assistant Instructor for six months.

T. T. LOGAN—23-5-07.

To the Public Works Department.

PUBLIC WORKS DEPARTMENT.

In accordance with Secretary's view since expressed that we should secure for Government the services of the very best men we have and can get, *R. Mahadeva Aiyar* stands next on the list for promotion to Rs. 100, and it will not be very long before he gets this promotion.

B. Lakshminarayana Rao has since been promoted to Rs. 80, and it seems unlikely that he will get further promotion during the six months he is required for the College. His selection may stand.

As *K. Srinivasa Aiyangar* was reverted to the Public Works Department on the ground that his pay of Rs. 100 was too high for the College, the Director may be asked un-officially to make another selection.

The personal registers of five more temporary Overseers who have passed the Engineer-Subordinate test are now added to the file. Their names and particulars regarding their salary, etc., are given below—

Name.	Salary they would draw, if employed, in Public Works Department, Presidency town.	Age.	Total service in the department.	
			YRS.	MONS.
<i>R. Ramachandra Rao</i>	80 + 25 = 105	24½	4	0
<i>T. L. Ramaswamy Aiyar</i>	80 + 25 = 105	26½	4	0
<i>P. S. Narasimha Aiyar</i>	80 + 25 = 105	24	3	4
<i>M. V. Natesa Aiyar</i>	80 + 25 = 105	27	3	0

PUBLIC WORKS DEPARTMENT.

The services of the two men selected by the Director of Public Instruction may be placed at the disposal of the Educational Department. A draft order is accordingly submitted. It may be sent to that department for acceptance.

These men will, while employed in the College, draw a consolidated salary of Rs. 105 in the case of *B. Lakshminarayana Rao* and Rs. 85 in the case of *P. S. Krishna Aiyar*, so long as they remain in their present grades. Orders fixing their salary at the above rates will, it is presumed, issue in the Educational Department.

The question of issuing instructions to the men to join the College and of appointing substitutes in their places will be taken up separately.

EDUCATIONAL DEPARTMENT.

In the draft order the date from which the services of the temporary subordinates will be placed at the disposal of the Educational Department has not been stated.

Their services are required from the date of re-opening of the College of Engineering, i.e., from the 15th July 1907—vide G.O., No. 250, Educational, dated 28th April 1907.

It is not necessary to specify this.

Before the additional temporary instructor can be appointed a proposition statement will have to be sanctioned in Financial Department. The mere entry in the rule will not dispense with this formality. Please refer to the specific rule mentioned by the Director of Public Instruction and verify the statement. If no proposition statement has been received, the Director of Public Instruction should submit one forthwith.

H. D. TAYLOR—13-6-07.

In the revised rules of the College of Engineering, rule 5 relates to staff—vide page 7 of G.O., No. 159, Educational, dated 20th March 1907. The rule is general and does not say that a new temporary instructor will be employed. There is also nothing in the discussion about the rule regarding the employment of a temporary instructor. Please see paragraphs 10 to 13 on pages 2 to 4 of K.W. G.O., No. 159, Educational, dated 20th March 1907.
