With reference to G.O. No. 31, Educational,

Sir, I beg permission to bring to your notice the following particulars in connection with the grant of a State Technical Scholarship to me as set forth in your Proceedings Ref on C No 8442 of 1906 dated 28th January 1907.

On a careful inquiry, I find that the Capital I might be able to put in along with what little I might be able to secure with the help of my friends, is not sufficient to start business on a remunerative scale, even after my return from Europe. Neither are there possibilities of my being entertained in any of the existing bungalows as an expert to do work.

That is how I
am coming.

I further beg leave to observe that I am forced to ~~plead~~ through circumstances to plead inability to secure two sufficient notices to join with me in executing the agreement to the Secretary of State as stipulated in G. O. nos 251 & 252 Educational dated 6th April 1906, on account of the condition therein set forth that I am to bind myself up for 5 years ^{to work} soon after my return to continue in the field even in the absence of any opening.

In the presence of such difficulties as are enumerated above, I respectfully state that I am not permitted to take up the scholarships under such prohibitive conditions as are set forth in the agreement, unless the Government are kind enough to view my precarious situation with a little more leniency.

I beg to remain
Sir,

your most obedient servant

To the Secretary to the Government of Madras,
Educational Department

Sir,

With reference to Memorandum No. 1304-1 Educational, dated 13th June 1907, I have the honour to state that M.A. Ramunni Panikkar says he has "no objection to avail himself of the State Technical Scholarship" under the present altered conditions. In G.O. No. 31 Educational , dated 18th January 1907, the period of his preliminary training was reduced to twelve months as a special case, but he ^{now} asks that it may be reduced still further. A copy of his letter dated 7th July 1907 is submitted for the information of Government. I do not recommend the concession.

Sir,

I have the honour to acknowledge receipt of your memo Ref on
C No. 8442/06, dated 22nd June '07.

With reference to the same, I beg leave to state that under
the present altered conditions I have no objection to avail myself
of the said scholarship.

For the last four months, I have been working, as notified
previously, at the Kodumbakam Native tannery owned by Messrs. M.
Venkataswamy Naidu and Sons and I beg permission to state that I
have already studied the various processes of native tanning
within this period and that I shall produce a certificate from
the proprietor as to my competency. While undergoing the course
at Kodumbakam I had time and facility to study the Chrome process
as carried on at Madras and my knowledge of Chemistry had been of
sufficient help to give me a proper understanding of the
manufacturing process under improved methods.

Under the above circumstances, I may be permitted to observe
that my period of preliminary training further in India is quite
superfluous and that the above period may in my case be reduced
still to a greater extent than had been settled previously by
the Government.

No. 8442, dated 29-5-1907.

SUBJECT.

M. A. Ramunni Panikkar withdrawing his candidature for a State Technical Scholarship.

Q

In G.O. no. 677 Bdl, dated 19th October 1906, M. A. Ramunni Panikkar, ^{an applicant} ~~for a State Technical Scholarship~~ was informed that if he went through satisfactorily the practical courses, ^(for eighteen months) mentioned in para. 4 of G.O. no. 630 Bdl, dated 26th September 1906, his application for a scholarship to Europe for learning tanning would be favourably considered.

R.

O

2. In G.O. no. 31, Bdl, dated 18th January 1907, the period of ^{the} preliminary training of Ramunni Panikkar was, as a special case, reduced from 18 to 12 months.

3. Ramunni Panikkar now wants to withdraw his candidature for the following reasons -

- (1) He cannot command sufficient funds to start business on a remunerative scale after his return from Europe.
- (2) There are no possibilities of his being employed in any of the existing tanneries as an expert.
- (3) He is unable to find two sureties for the bond to be executed under G.O. no. 251 Bdl dated 6th April 1906.

3. Ramunni Panikkar further adds that he cannot take up the Scholarship under such

prohibitive conditions as are set forth in the agreement, unless the Govt. are kind enough to view his precarious situation with a little more leniency.

4 The agreement which Ramunni Panikkar considers to be prohibitive has ^{since} been cancelled under the orders of the Govt. of India - vide G.O. no. 317 Bdd dated 25th May 1907; and he may ~~is not~~ ^{perhaps he now} inclined to reconsider his withdrawal.

5- It is for consideration whether the D.P.I. may be asked to point out to Ramunni Panikkar that he will not now be required to execute any bond and to ascertain whether ~~in that case~~ he ~~would~~ still desires to withdraw his application for the State Technical Scholarship.

T.M.
11-6-07

Of the three grounds on which M.A. Ramunni Panikkar wants to withdraw his candidature for a State Technical Scholarship, the third ground, namely, the difficulty of finding sureties for the bond, has ceased to exist as the Govt. of India have directed that no bond need be taken from these scholars. The other two grounds are based on practical difficulties in regard to his future career after undergoing training in Europe - Perhaps ~~the~~ ^{reference to} D.P.I. may be ~~use~~ as at A above, although it does not appear probable that Ramunni Panikkar
