Sir,

In forwarding the accompanying Memorial I have the honor to state that I have ascertained from the Superintendent of the Medical School, Royapuram, that the applicant's record at the School was as follows:-

"Muhammad Abdulla joined the School as a 1st year Native Military pupil old curriculum in 1903-04.

In 1905-06 in his third year course of study he failed in the two sessional examinations and was dismissed.

In 1906-07 he was admitted as a private pupil with the special sanction of Government.

He failed in the Board Examination held in March 1907 and was dismissed again.

3-12-06

He is not a Matriculate.

I have no objection to his readmission as a private pupil but the above record will shew that he is not a promising pupil."

2. It will be seen that the applicant has misrepresented the facts of his career at the School and looking to his list of failures I am not in favour of re-admitting him.

I have the honor to be,

Sir,

Your most obedient servant,

H. R. K. K. K.
Surgeon-General,

Surgeon-General with the Government of Madras

His Excellency The Right Hon'ble The Governor of Madras.,

The Surgeon General.,

The humble memorial of Mahammad Abdullah,
son of Pensioned Subadar Abdul Raheem
Saheb, late of the 9th Regiment M.I.

Most Respectfully Showeth:-

1. That Your Excellency's humble memorialist successfully underwent a course of training, both theoretical and practical for the grade of Hospital Assistant in the Medical School, Royapuram, for a period of ^{four} five years.
2. That during the course of 4 years' training in that school, Your Excellency's memorialist applied himself to his medical studies very hard with zeal and energy, successfully passing all the prescribed Examinations conducted by the Professors of the School from time to time and getting promotions regularly year after year without any interruption.
3. That Your Excellency's memorialist bore excellent character throughout the course of his studies both in the Hospital Wards and in the Lecture rooms; and the Superintendent of the said School and the Professors would bear testimony to his unblemished conduct and to his ability, zeal, application to duty and aptitude for work.
4. That after going the full course of training, Your Excellency's memorialist appeared for the Final Examination of the Hospital

Afghan Wars and the Burmese Expeditions. A perusal of the accompanying printed copy of a Memorial addressed by your Memorialist's father to Sir Arthur E. Havelock, the former Governor of Madras, praying for a Government post to Your memorialist's elder brother will enable your Excellency to form an estimate of the services rendered to Government by the memorialist's family.

9. That as the result of the above memorial, Sir Arthur E. Havelock, was graciously pleased to provide your memorialist's elder brother with a footing in Government service. The following true copy of letter dated 14th September 1897 from the Private Secretary to H.E. The Governor, addressed to Your Excellency memorialist's father is a proof of the interest, which one of your Exalted predecessors in Office evinced on behalf of your memorialist's loyal family:-

Government House,
Ootacamund, 14th Sept. 1897.

From,

The Private Secretary,

to the Governor, Madras.

Dear Sir,

"His Excellency wishes me to acknowledge the receipt of "
"your letter of the 10th of Sept. 1897, and to say that he is glad "
"that your son has got a footing in the public service and trusts "
"that he will have an honourable and successful career therein. "

Yours truly,

(signed) U. S. M.

10. In conclusion Your Excellency's memorialist pray that he may be either permitted to rejoin the final year's class of Hospital Assistants in the Royapuram Medical School, with a view to undergoing a further course of training for one year or be allowed

PAGE 6 7
to appear before the Board of Examiners for Hospital Assistants' grade at the next Examination to be held in 1908.

For which act of kindness Your Excellency's humble memorialist, shall as in duty bound, ever, pray.

I beg to remain,

Your Excellency's most obedient and

humble servant,

Mohammed Abdullah

C.No. 1724. From the Surgeon General. No. ⁴⁶₁₆₁₄, dated 17-7-1907.SUBJECT. Muhammad Abdulla dismissed
Re-admission of a student of the
Rayapuram Medical School - Madras.

In the circumstances stated by the Surgeon General in his letter on pages 1 & 2 of current, it is for consideration ^{file} whether Muhammad Abdulla has made out a case for his re-admission into the Medical School at Rayapuram.

2. According to Rule 6 of the rules for the ^{re-admission} dismissal of hospital assistant-students, "a stipendiary student dismissed for failure at any of the Board examinations may rejoin the School as a private (paying) student at the option of the Superintendent, provided he has passed the general education test prescribed for such students."

3. The Surgeon General says ^{in regard to the petitioner} that "He is not a matriculate and is not a promising pupil" and that "looking to his list of failures, I am not in favour of re-admitting him."

4. This seems to be similar to the cases already disposed of in Nos. 279 E.S. d. 9-5-07 and 455 E.S. d. 17-7-07.

Pages 1 & 2 of current.

^{EN}
29-7-07 From the Surgeon General's letter it is observed that the petitioner, Muhammad Abdulla, was once dismissed in 1905-06. for failure in two seasonal examinations, that he was readmitted with the special sanction of Govt. as a private pupil.

ORDER:--

The Government regret that they are unable to sanction the re-admission of the petitioner, Muhammad Abdulla, into the Rayapuram Medical School as a private pupil. It seems clear that if the petitioner is re-admitted, he will be only wasting his time and energy which he might ~~have~~ perhaps turn to better account in other directions.
