FROM

C. A. PATERSON, Esq., M.A., LL.B.,

Registrar, University of Madras,

TO

The Secretary to Government

Educational Department.

Sir,

I have the honour to state that P. V. Tri-
vikrama Rau, First Attendant, Connemara Public Library, who is
now drawing a salary of Rs 30 per mensem, has been appointed by
the Committee entrusted with the management of the University
Library as the Assistant Librarian to the said Library.

He was chosen as it was considered by the
Committee that a person having experience in the working of the
Connemara Library, in which the University Library is to be
housed, would be of great aid in the successful working of the
latter. The fact that he has put in his entire service of 13
years in the Chief Secretariat and the Connemara Libraries (into
the latter of which alone he has served nearly eleven years)
weighed considerably with the Committee in making his appoint-
ment.

Under Articles 801, note 1, and 753(ii)(b) of
the Civil Service Regulations, I request that the Government of
India may be addressed for the transfer of his services to the
University. He satisfies the conditions laid down in the latter
of these Articles. He has put in 13 years qualifying service.

2 4 W

I The salary of the post to which he has been appointed has been fixed at ₦50 by the Government itself. (Government Order No. 361 Educational, dated 26th May 1905).

I have the honour to be

Sir

Your most obedient servant

B. A. Paterson,
Registrar.

SUBJECT.

C. No.1730, from the Registrar, University of Madras, No.17/A.382,
dated 19th July 1907.

Subject.

Transfer of services of P.V. Trivikrama
Rao, attendant, Connemara Public
Library, to the University of ~~Mx~~
M a d r a s.

The Registrar, Madras University, states that
the Committee entrusted with the management of the
University Library has appointed P.V. Trivikrama
Rao, First Attendant, Connemara Public Library, to
be the Assistant Librarian of the University Library
and requests that, under Articles 801, note 1, and
753 (ii)(b) of the Civil Service Regulations, the
Government of India may be addressed for the trans-
fer of Trivikrama Rao's services to the University.

2. The proposal seems to be to transfer Tri-
vikrama Rao's services permanently to the University
and not merely to permit him to take service under
the University and to allow him while in such ser-
vice to maintain his claim to pension and leave in
the same way as if he were still in the service of
Government.

3. Under note 1 to Article 801 of the C.S.R.
"the transfer of Government servants to service
"under excluded Local Funds should ordinarily be
"dealt with under the rules regarding Foreign
"Service"; and the application "of the Rule of
"Proportions to service partly under an excluded

"Local Fund (other than those specially mentioned
"in that Article) requires the special sanction of
"the Government of India". The Madras University
Fund is not mentioned in Article 801; the applica-
tion of the Rule of Proportions to service under
the University therefore requires the special sanc-
tion of the Government of India. But it is not
clear when this sanction is to be obtained, ~~that is,~~
whether it is to be obtained when the Rule of Propor-
tions is to be applied, that is, at the time of the
man's retirement or at the time of his transfer to
Foreign Service.

4. Further, Article 753(ii)(b) quoted by the
Registrar applies only to cases of transfer to the
service of His Majesty's Government in England or of
any Colonial or Foreign Government. The proposed
transfer of Trivikrama Rao's services to the Univer-
sity is not one of these kinds; it is a case of
transfer to Foreign Service in India and under
Article 753(ii)(a) the sanction of the Local Govern-
ment seems to be sufficient.

5. It is submitted that the papers may first
be sent u.o. to the Accountant-General for remarks.

953(ii)(b) seems to be
a mistake for
753(ii)(a)

As the University Fee Fund is one of the Excluded Local Funds (vide para 249 of the Madras Treasury Manual), the transfer of P. V. Trivikrama Rao's services to the University can ordinarily be dealt with under the rules regulating Foreign Service of the 1st kind (vide note 1 under Article 801(ii) of the Civil Service Regulations) and the sanction of the Local Government will in that case be sufficient under Article 753(ii)(a) of the Civil Service Regulations.

2. But the proposal seems to be to transfer his services permanently to the University and ~~and~~ not merely to permit him to take service under the University with a lien on his appointment under Government and to allow him while in such service to maintain his claim to pension in the same way as if he were still in the service of Government. In that case, the special sanction of the Government of India is necessary under Article 801(ii) Note 1 of the Civil Service Regulations for the application of the rule of proportions for payment of pension for the combined services, as the Madras University Fund is not one of the Funds enumerated in the said Article. Such sanction should, I think, be obtained now, (i.e.) before the services of the officer are transferred to the University, as the sanction at the time of his retirement will be merely a formal one.

3. The second proposal is, I venture to think, permissible only in the case of Excluded Local Funds which are administered by Government.

4. I may mention that it is only in this Presidency that the University Fee Fund is treated as an Excluded Local Fund. ^{Presidencies and} In other Provinces it is treated

treated as a purely private fund and does not bank
with a Government Treasury.

It is for consideration whether the
services of Trivikrama Rao may be transferred
permanently to the University and whether
the Govt. of India may be addressed under
article 801 note (1) of the C.S.R. for the appli-
cation of the Rule of Proportions for the payment
of pensions for his combined services.

Para 3 of note on page 3 supra

2. The A.G. seems to think that the appli-
cation of the Rule of Proportions is permissible
only in the case of Excluded Local Funds
which are administered by Govt. The Madras
University Free Fund, though treated as
an Excluded Local Fund, does not appear
to be one administered by Govt. The A.G. notes
that the University Free Fund in other Provinces
and Presidencies is treated as a purely private
fund and does not bank with a Govt. Treasury.

application to India to apply the rule of proportions to the Case of Trivikrama Rao, so as to that he may be transferred permanently from Govt Service to the Service of the University. The post of Librarian does not seem to require any special ~~for~~ training, and there may probably be no difficulty in obtaining suitable men for the place outside Govt Service, for the salary offered (Rs 50 pm)
