NOTES CONNECTED WITH G.O., No. 540, EDUCATIONAL, DATED
17TH AUGUST 1907.

[SUBJECT.—*Number of building grants sanctioned before the adoption of the system of fixing a definite period for the completion of the buildings and still remaining unpaid.*]

From the Director of Public Instruction, dated 7th May 1907, No. 54.

In G.O., No. 90, Educational, dated 21st February 1907, the Government renewed the sanction to a building grant for the Wesleyan Mission Primary Girls' school at Tirutturaippundi, which was accorded before the adoption of the system of fixing a definite period for the completion of the building in the order sanctioning a building grant and the Director of Public Instruction was asked to report whether there were any similar building grants still remaining unpaid.

2. The Director of Public Instruction reports that there are only two such building grants still remaining unpaid, viz. :—

(1) the grant of Rs. 2,500 sanctioned for the Venkatagiri Raja's High school, Nellore, in G.O., No. 665, Educational, dated 10th November 1904; and

(2) the grant of Rs. 6,433 sanctioned for the St. Joseph's College, Cuddalore, in G.O., No. 643, Educational, dated 22nd December 1903.

3. As there are only two building grants still remaining unpaid there seems to be no necessity to take any special steps in respect of them. The sanctions accorded in these cases may be renewed when the buildings are completed.

4. The Director's present letter may therefore be simply recorded.

A draft is placed below for approval.

T.K.—29-5-07.

The Director of Public Instruction does not furnish any information as to whether the buildings for which grants have been sanctioned in G.Os., No. 643, Educational, dated 22nd December 1903, and No. 665, Educational, dated 10th November 1904, have been taken on hand by the school authorities; and if so, in what stage they are, and whether there is any prospect of the grants sanctioned being claimed in the near future.

If no action has been taken by the school authorities towards the construction of the buildings, it seems to be unnecessary to keep these sanctions hanging indefinitely and they may as well be withdrawn, the parties being left to submit fresh applications in accordance with the provisions of the new Grant-in-aid Code, as and when they undertake the construction of the buildings. The Director of Public Instruction may perhaps be asked to report on these points.

K. RANGASWAMI AIYANGAR—30-5-07.

It may be as well to ask the Director of Public Instruction to report the progress of the two buildings. It seems absurd to let the sanctions run on, especially as a new Grant-in-aid Code has been published. If fresh grants are required, they will no doubt be asked for.

C. A. SOUTER—30-5-07.

Yes. Please draft accordingly.
