C. No. /855 From the D.P.I.

No. 7625, dated 25-7-1907.

Appointment of two additional teachers in the
Govt. Girls' School, Madura

Revised copy.

ride the shabab on the
margin of paragraph 2
of D.P.I. letter - full
1 of it

* for six months

The D.P.I. states that the strength of the Govt. Girls' school at Madura has since September 1906 been going up steadily and that there were 196 girls on the rolls in June last against 160 in September 1906. The sanctioned staff of the school consists of 7 teachers while there are eight regular classes - Infant to the Seventh Standard - exclusive of an extra division in each of the Infant and the first Standard in which there are 55 and 57 girls respectively.

2. The D.P.I. therefore requests sanction to the employment of two addl. teachers on Rs 10 each from the 1st September next - The additional financial cost involved by is Rs 120 during the current year, and to provide for this the D.P.I. submits a reappropriation statement.

3. A draft order sanctioning the proposition submitted by the Director is placed below for approval; if approved it may issue with the concurrence of the Financial Dept.

7H.
8-8-07 From the D.P.I. letter it is observed that the Infant & Ist Standards, which contain

55 and 57 pupils respectively, should be divided into two sections each (Rule 81 of the Educational Rules) and that two extra teachers on Rs 10 each (which is the lowest salary approved for teachers in Govt. Girls' Schools) are necessary. It does not however appear to have been made out that the increase in attendance which according to the D.P.S., commenced from September 1906 will be permanent so as to necessitate the permanent employment of two additional teachers. The number on the rolls of this School during the three preceding years was as given below.

On 31 st March 1904 -	168
" " 1905 -	163
" " 1906 -	137
September 1906	160
June 1907	196

Perhaps the two addl. teachers may be sanctioned tentatively for one year, the D.P.S. being left to come up for the permanent retention of these ~~same~~ teachers and the School continue to maintain the increase in attendance.
