Sub-Assistants as had their headquarters in special tracts could claim the increased rate of fixed travelling allowance throughout the year and that others could claim it only for journeys in the special tracts, the extra travelling allowance in the latter case being calculated as laid down in Proceedings No. 11935, dated 28th October 1893, a copy of which is enclosed. The Sub-Assistant says that as the range had its headquarters at Coimbatore he drew extra allowance at the rate of Rs. 12-8-0 per mensem only for the days actually spent by him in special tracts and claimed at the ordinary rates for journeys made in other parts. The Coimbatore-Nilgiri Range has recently been split up into two ranges - Satyamangalam and Coimbatore Ranges and the Sub-Assistant of the former range was permitted in Proceedings Dis. No. 5313, dated 4th August 1905 to draw a fixed travelling allowance of Rs. 37-8-0 on the score of his headquarters being in North Coimbatore as required by the above Proceedings. But in regard to the Coimbatore Range the increased rate of travelling allowance was sanctioned in Proceedings Dis. No. 3556, dated 22nd May 1906 on the strength of the Accountant General's ruling contained in his letter No. T.191 Spl./5022 dated 27th July 1905 (copy submitted). M.R.Py. Venkata Rau contends that as both these Sub-Assistants were allowed a fixed travelling allowance of Rs. 37-8-0 per mensem he might also be allowed a similar concession in regard to the travelling allowance for the period he was in charge of the Coimbatore-Nilgiri Range. The Sub-Assistant reports that the delay in preferring the claim was due to his having collected the necessary references only on the 20th March 1906.

3. I have referred the matter to the Accountant General who is of opinion that the claim is admissible but its

investigation

investigation requires the sanction of Government. I request
therefore that the sanction of Government may be obtained for the
claim being investigated by the Accountant General.

It having been decided after considerable correspondence that only such Sub- Assistants as have their Head-quarters in special tracts are entitled to the higher rate of fixed travelling allowance sanctioned by the Civil Service Regulations and that others can claim the same only while travelling through those special tracts, the objection raised by the Accountant General on the point should be considered valid. With respect to the Agency tracts of the Northern Circars, efforts will be made to post some Sub- Assistants to their special charge, relieving others of the duty of visiting those tracts every year.

Endorsement of the Inspector of Schools, Southern Circle,
No. 7271, dated 19th September 1893.

In cases in which the time during which a Sub-Assistant travels through the special tracts is fraction of a month, the calculation of the extra rate of travelling allowance should be made at Rs. 12½ for 13 days (the time during which a Sub-Assistant is required to be on circuit every month), subject, of course, to a maximum of Rs. 12½ for the month.

With reference to your letters Nos. 1866 and J. A.C.B.

dated 21st June, 6th ultimo and 3rd instant respectively I have
the honour to state that there are no Sub Assistant Inspectors
of Schools whose Headquarters are actually located in Hill
tracts.

2 The Sub Assistant Inspectors of Schools in the Ganjam
and Vizagapatam Districts and of the Cocanada and Ellore Ranges
in Godavari have been drawing a fixed monthly allowance of
Rs 50 and the Sub Assistant Inspector of Schools, North Coimbatore
and Nilgiris, of Rs 37½ in consideration of their frequent
visits and prolonged halts in Hill tracts, and this concession
must be continued to them.

3 The Sub Assistant Inspectors of Muhammadan Schools
Northern and Southern Circles and the Sub Assistants of Girls'
Schools, 1st and 5th Ranges, have occasionally to visit schools
in Hill tracts. Of these, the Sub Assistant Inspector of
Muhammadan Schools, Northern Circle and the Sub Assistant
Inspector of Girls' Schools, First Range, draw a fixed monthly
allowance of Rs 50 while travelling in the Hill tracts of the
Northern Circle and Rs 25 while travelling elsewhere. Also the
Sub Assistant Inspector of Girls' Schools, Fifth Range draws a
fixed allowance of Rs 37½ while travelling on the Nilgiris, and
in the Kollegal and Satyamangalam Taluks of the Coimbatore
District and Rs 25 while travelling elsewhere. The Sub

10 12 12
Assistant Inspector of Muhammadan Schools, Southern Circle has also to visit the Nilgiris, the Kollegal and Satyamangalam Taluks.

4 What is now required is that the Sub Assistant Inspector of Muhammadan Schools, Southern Circle should be allowed a fixed monthly allowance of Rs 37½ while travelling in the special tracts noted above and Rs 25 while travelling elsewhere. It does not seem necessary that the question should again be placed before Government and I am not prepared to recommend that the Sub Assistants of Girls' or Muhammadan Schools should be paid a monthly allowance of Rs 50 all through the year like the eight Sub Assistants in Ganjam, Vizagapatam, Godavari and Coimbatore.

I have the honour to be, &c.

Sir,

With reference to your letter No. 15212 dated the 17th
November 1892, I have the honour to inform you that as none of
the Sub Assistant Inspectors of Schools are actually located in
the special tracts, they cannot therefore be allowed the special
rates throughout the year but only when travelling in the
special tracts and that the sanction of government of India is
necessary to include the Sub Assistant Inspector of Muhammadan
Schools, Northern Circle among those named in Article 1252 of
the Civil Service Regulations, as already stated.

In para 3 of DO's letter, it is stated that the ^{a reference was made in} Accountant-General to whom the matter of additional travelling allowance of Rs 694-12-0. claimed by M. R. R. J. K. Venkata Rao, Sub. Assistant Inspector of Schools, Erode Range, was referred, is of opinion that the claim is admissible, but that its investigation requires the sanction of Government under Article 5(c) of the Civil Account Code.

2. It is submitted that the A. G. may be instructed to investigate the claim. The draft placed below is submitted for approval. Please see Govt. 254 R. d. 30.5.07 for a precedent.

2. The North Coimbatore Range was added to the list in 1887.
- please see the Government of India's letter n^o 6091 of 18th November 1887 with G.O. 667 Ed. of 5th December 1887. The Government of India said that they would include it in the list in the next edition of the Civil Travelling allowance Code. There was ^{however} no edition of the Civil Travelling allowance Code subsequent to 1887 and the Civil Service Regulations which ^{were} ~~were~~ issued in 1889 took the place of all the Financial Codes. The North Coimbatore Range was included in Appendix n^o 24 to the first edition of the C. S. R. - vide entry n^o 83 on page 399 of the book. The Nilgiri Range appears to have been included in the list in the year 1882 - please see note on page 5 of G.O. ⁵⁴⁶ 547 Ed. of 1st October 1887.

"An officer's claim to pay and

this case the T.A. was restricted by the

fact that the order has recently been
