No. Ref on C No 4368/7

Station Madras , Dated the 25th JULY 1907.

From (Name) The Hon'ble Mr. T.T. LOGAN, E.A.,

(Designation) Ag. Director of Public Instruction.

To the Secretary to the Government of Madras,
Through Educational Department
The Accountant General, MADRAS.

I have the honour to request that you will be so good as to obtain the sanction of Government to the entertainment with effect from 1st September next of two temporary additional assistants one on Rs. 70 and the other on Rs. 60, in the Practising High School, attached to the Training College, Rajahmundry.

2. The present staff consists of ten teachers -

Principal both complain that with the existing staff it is

absolutely

2 4 4
absolutely impossible to carry on the work of the school efficiently and request sanction for 3 more temporary assistants.

The Principal explains the necessity for the additional staff as follows:-

"In the twelve classes there are 12X30 or 360 lessons to be given every week. This work is distributed among the members of the staff thus:-

The <u>five</u> permanent and the <u>five</u> temporary assistants do among them 10 X 24 or	240 lessons
The pundits give	25 ,,
The drill master and the drawing master in addition to their work in the Training Section do together	10 ..,
The total no. of lessons that this staff can give in the High School is therefore	275 lessons only.

The High School classes have thus no masters at all to teach during 85 periods in the week."

I consider however that two additional teachers will do for the present as then there will be one master on an average for each class.

3. The classification of the lower secondary schools in the town under municipal and private management has not yet been settled. I consider therefore that the question of the reorganisation of the practising school including the substitution of the temporary assistants by permanent men should lie over for the present.

4. The present temporary assistants are with a single exception allowed a salary of Rs. 50 per mensem and in view of the Principal's complaint that it has been found very difficult to secure and retain the services of really efficient and professionally qualified graduate teachers for these short term appointments, I have proposed Rs. 70 and Rs. 60 for the two new appointments proposed herein. These increased rates of salaries will

3 5 5

if sanctioned afford the Principal an opportunity of recommending for promotion the temporary assistants already in service who may be deemed deserving of some encouragement.

5. The necessary proposition and re-appropriation statements are submitted herewith for early sanction.

I have the honour to be,

Sir,

Your most obedient servant,

C. Krishnamuni

additional teachers may, it is submitted, be sanctioned as it is in accordance with rule 28 of the Educational Rules which requires that in secondary schools there should be a teacher for every class in addition to the headmaster (exclusive of pandits munshis, writing masters, drawing masters, gymnastic instructors etc.). Of the five temporary assistants now employed in the school, one is paid Rs. 60 per mensem and the remaining four Rs. 50 each. To the two ^{temporary assistants} ~~new appointments~~ now proposed the Director proposes to give ^{a salary of} Rs. 70 and Rs. 60 ^{respectively} and ~~observes~~ that higher salaries are required to give some promotion to the temporary teachers already in service. The pay proposed by the D.P.I. may therefore be approved.

4. The Director's recommendation that until the classification of the lower secondary schools in the town is settled, the question of the re-organization of the school may lie over may, it is submitted, be accepted.

5. The Director proposes to meet the cost of these additional teachers by reappropriating Rs. 780 from the provision of Rs. 2,000 for "Vacation classes" under "Training schools for masters" and this reappropriation, as noted by the Accountant General, is within the sanctioning powers of the Director of Public Instruction.

6. A draft sanctioning the proposition statement is placed below for approval; if approved, it may issue with the concurrence of the ~~Board~~ Financial Department.
