Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 29th July 1907.

No.—Ref. on C. No. 2429.

I have the honour to request that you will be so good as to obtain the sanction of Government for the continuance till the 31st December 1908, of the levy of fees at the special rates now in force in the Board Lower Secondary school, Polavaram, and the Government Lower Secondary school, Bhadrachalam. Fees at reduced rates have been levied in the Polavaram school with reference to G.O., No. 393, Educational, dated 9th July 1902, which allowed the concession for a period of five years from the 1st January 1902. The reduced rate now in force in the Bhadrachalam school was governed by G.O., No. 289, Educational, dated 28th May 1901, and the term for which it was allowed expired on the 31st December 1903.

2. No decision has been arrived at, with reference to G.O., No. 509, Educational, dated 31st July 1906, as to whether the schools should be worked either as secondary or elementary schools. With regard to the Bhadrachalam school, the Inspector of Schools, First Circle, is of opinion, that it may, with advantage, be worked as an incomplete secondary school and submits a petition he has received from the inhabitants of Bhadrachalam praying for the continuance of the school as a secondary school. The Government Agent, Gódavari, also makes the same recommendation for the reason mainly that there is a need for men who know English for employment in the Agency Tracts and that there is no institution within 100 miles of Bhadrachalam which can impart a good English education. The Inspector will visit the schools early next year and on his report, I shall be able to submit final proposals. Meanwhile the present position may continue.

Order—No. 561, Educational, dated 27th August 1907.

The Government sanction the continuance till the 31st December 1908 of the levy of fees at the special rates now in force in the Board Lower Secondary school, Polavaram, and the Government Lower Secondary school, Bhadrachalam.

From the Director of Public Instruction, dated 29th July 1907, No. 2429.

The Director of Public Instruction requests sanction for the continuance till 31st December 1908 of the levy of fees at the special rates now in force in the Government Lower Secondary school at Bhadrachalam and the Board Lower Secondary school at Polavaram.

I.—Government Lower Secondary School, Bhadrachalam.

In G.O., No. 12, Educational, dated 11th January 1888, the Government sanctioned the levy of a reduced scale of fees in the Bhadrachalam Lower Secondary school up to the 31st December 1890. Subsequently the continuance of the reduced rates was sanctioned—

up to the 31st December 1891 in G.O., No. 546, Educational, dated 30th July 1890;
up to the 31st December 1894 in G.O., No. 387, Educational, dated 18th May 1892;
up to the 31st December 1897 in G.O., No. 142, Educational, dated 12th March 1896;
up to the 31st December 1900 in G.O., No. 22, Educational, dated 15th January 1898; and
up to the 31st December 1903 in G.O., No. 239, Educational, dated 29th May 1901.

2. For the continuance of these reduced rates after the 31st December 1903, no sanction has been obtained, but the reduced rates of fees seem to be still in force in the school—*vide* the last sentence of paragraph 1 of the Director of Public Instruction's letter. The Director now requests sanction for the continuance of the rates up to the 31st December 1908. He states that it has not yet been decided as to whether the school should be worked as a Secondary or an Elementary school; that the Inspector of Schools, First Circle, and the Government Agent, Godavari, are of opinion that it may be worked as a Secondary school and that the inhabitants of Bhadrachalam have petitioned to that effect. He, however, considers that this question will be decided after the inspection of the school by the Inspector early next year and suggests that till then the present position may continue.

* Vide page 2 of G.O., No. 142, dated 12th March 1896.

3. The reduced rates now in force in the school are compared below with the standard rates, prescribed* in the Educational rules :—

4. It is for consideration whether the continuance of the reduced rates till the 31st December 1908 may be sanctioned.

II.—Board Lower Secondary School, Polavaram.

5. In G.O., No. 702, Educational, dated 22nd September 1894, the Government sanctioned the proposal of the Director of Public Instruction that fees should be levied in English schools under public management in backward localities up to the 31st December 1896 at certain reduced rates, the rate for Lower Secondary schools being two-thirds of the standard rates. Subsequently the continuance of these reduced rates was sanctioned—

up to the 31st December 1901 in G.O., No. 191, Educational, dated 1st April 1897; and

up to the 31st December 1906 in G.O., No. 393, Educational, dated 9th July 1902.

6. Under the above sanction fees at two-thirds of the standard rates are levied in the Board Lower Secondary school, Polavaram, and the Director now requests sanction to continue to levy fees at the reduced rates till the 31st December 1908.

7. As in the case of the Bhadrachalam school, the question whether this School should be worked as a Secondary or Elementary school will, it is stated, be decided after the inspection of the school by the Inspector early next year. Meanwhile, the Director considers that the present position may continue.

8. Submitted that the Director of Public Instruction's recommendation in regard to both the schools may be accepted. If it is decided to work these schools as Elementary schools, then they will not be required to levy fees at the rates given in rule 98 (a) of the Educational rules. They will then have to levy fees at the rates given in rule 84 (ii), which are lower than the rates now levied. In the meantime sanction may be accorded to the continuance of the reduced rates of fees now in force in these schools.
