GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 26th June 1907.
No.—Ref. on Cur. 2768.

I have the honour to submit herewith three copies of the report of the Committee of the Lawrence Asylum, Ootacamund, on the working of the institution during 1906, together with a copy of my Proceedings Ref. on Cur. No. 2768, dated 26th June 1907, reviewing it and the inspection reports on the Asylum.

ENCLOSURE.

*Proceedings of the Director of Public Instruction, dated 26th June 1907,
 Ref. on Cur. No. 2768.*

Read—the following papers :—

Inspection reports from the Inspector of European and Training Schools, No. D-456, dated 5th June 1907, and from the Inspectress of Girls' Schools, Southern Circle, No. 2395, dated 25th April 1907.

Also the report of the Committee of the Lawrence Asylum, Ootacamund, on the working of the institution during 1906.

Order.—The institution has lately sustained a great loss by the death of the Rev. A. W. Atkinson, M.A., who had long been connected with it as Principal and Secretary. His place has been filled temporarily by the appointment of the Rev. Canon J. W. Foley, M.A.

2. More hospital accommodation for the male branch and an isolation hospital are desirable.
3. Under article 63 of the Code of Regulations for European schools agreements should be taken from all the teachers employed in the institution.
4. The suggestions made by the inspecting officers for the organization of the institution as a middle school for general education with supplementary technical classes and for the teaching of a vernacular as an alternative to Latin are commended to the consideration of the Committee.

Order—No. 575, Educational, dated 2nd September 1907.

Recorded.

2. In the year under report the Asylum lost the valuable services of the Principal, the Rev. A. W. Atkinson who died on the 10th May 1907. Mr. Atkinson had held the office of Principal since December 1891, and during the 16 years of his tenure of that office he discharged the duties of it with sympathy and devotion.

3. The suggestion of the Committee that the Public Works Department should undertake the annual petty repairs and whitewashing of the Asylum buildings has not yet been accepted by Government. Pending the issue of final orders on this proposal, the petty repairs should, under G.O., No. 2268 W., dated 22nd November 1905, be carried out by the Principal, from the allowance of Rs. 200 *per mensem* granted for the purpose by the Public Works Department.

4. The thanks of Government are due to Major-General Simpson for the timely services he rendered to the Asylum in acting as Principal and Secretary during Mr. Atkinson's absence.

Please see paragraph 12 of the report on Male branch on page 3 of the report and the paragraph headed "Hospital" in the medical report on page 5. It is said that the annual repairs and whitewashing of the Asylum buildings have not been carried out by the Public Works Department for the last two years. It is for consideration whether the Public Works Department may be asked u.o. to state whether there was any special reason for not carrying out the repairs, and when they may be expected to be undertaken.

2. The report seems to call for no other remarks.

T.K.—9-7-07.

K. RANGASWAMI AIYANGAR—9-7-07.

There were three deaths among girls. An isolation ward or hospital seems necessary. An epidemic would spread very rapidly if one arose in the Asylum.

2. From what Mr. Buckley told me I understand that there is very great dissatisfaction at the dilatoriness of the Public Works Department in whitewashing the Asylum. The attention of the department may be drawn to the matter.

C. A. SOUTER—10-7-07.

The report says : "The petty repairs are now, by order of the Committee, undertaken by the Public Works Department." Have Government (Public Works Department) accepted the arrangement? Under the arrangement in force two years ago a sum of Rs. 500 was placed at the disposal of the Committee for petty repairs.

H. D. TAYLOR—10-7-07.

It has been ascertained from the Public Works Department that the Government have not yet accepted the arrangement. The question is still under consideration in the Public Works Department and that department may be requested to state at what stage the matter at present stands.

EDUCATIONAL DEPARTMENT.

The Public Works Department note does not indicate the nature of the requirements in regard to which it is stated that provision is being made by that department and does not refer specifically to the point raised in the reference, *i.e.*, whether Public Works Department have accepted the arrangement under which it is proposed that that department should take over the work of *petty annual repairs and whitewashing*, which cannot require a reference to the Sanitary Engineer.

H. D. TAYLOR—3-8-07.

To the Public Works Department.

PUBLIC WORKS DEPARTMENT.

Public Works Department have accepted no such arrangement as that referred to. The statement in question, *viz.*, that the petty repairs are now by order of the Committee undertaken by the Public Works Department, has probably a reference to the estimates aggregating Rs. 10,520 for thorough repairs to the buildings, prepared by the late Consulting Architect to Government at the instance of the Committee. These estimates provide also for such petty repairs as are usually carried out by the Principal of the Asylum and have already been approved, but the execution of the repairs is delayed for want of funds. An application is to be made to the Government of India for a grant from Imperial Military funds to meet the cost of the repairs and of certain additions and improvements to the buildings for which estimates aggregating Rs. 85,000 as detailed below are under scrutiny.

(13) Providing new windows and ventilators to the Masters' quarters.	145
(14) Constructing kitchen and godown	1,000
(15) Sheds for cows	11,400
(16) Unforeseen works	7,275

Total .. 85,000

In addition to the above, the following works have been proposed, about which a reference has been made to the Sanitary Engineer to Government:—

- (a) Constructing a latrine and urinals for boys, estimated cost Rs. 2,596.
- (b) Constructing a segregation hospital (not yet estimated for).

3. The file may be returned to the Educational Department with the above information.

S.R.—14-8-07.

P. K. SUBBAIYAR—15-8-07.

In forwarding the Public Works Department note, dated 1st August 1907, I was under the impression that the linked file, which gave the information embodied in the above, was going on too, otherwise I should have noted more fully.

The above gives the present state of affairs. The works amounting to Rs. 85,000 are recommended by the Committee which met to discuss what were the actual requirements of the Asylum. As soon as the estimates are scrutinised and passed, the only one remaining to be scrutinised being that for the latrine, the whole scheme will have to go to India for sanction of these estimates and also one for thorough repairs amounting to Rs. 10,520.

Meanwhile no allotment has been made, and Public Works Department have not as yet adopted the suggestion of the Committee that the department should take over petty annual repairs and whitewashing.

A In G.O., No. 3290 W., dated 22nd December 1894, it was laid down that the Principal will be allowed Rs. 100 per mensem and that he should carry out petty repairs.
