Copy of letter from David A. McCready, Retired Superintendent of Prisons, Madras, to the Hon'ble Mr. Herbert Bradley, M.A., C.S.I., I.C.S., Chief Secretary to the Government of Madras, dated 12th August 1907:

I beg respectfully to submit for the kind consideration of Government an application from my youngest son Water Frank to the Secretary of State for India for a Government scholarship offered by the Indian Government to any domiciled European or Eurasian for a University Education in England and the reply to the same. I solicit that the Government will be kind enough to recommend the application to the Government of India for my son's nomination.

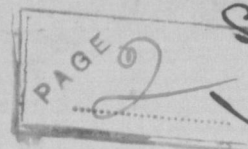

My son gives full particulars of his career in the application. He is still a student in St. Augustine's College, Canterbury.

I need not refer to my past services under Government which I think are well known to them. Being retired I cannot afford to give the young man a University Education.

I may mention that he has received the permission of the Warden of the College to submit this application and has his deepest sympathy.

Soliciting the kindest consideration.

July 9th 1907.

St. Augustine's College,
Canterbury,
Kent.

Sir,

I wish to apply for the scholarship offered by the Indian Government to any domiciled European or Eurasian for a University Education in England. I am the son of O. A. M. Cready, Superintendent of Prisons (retired), Madras. I was born at Tanjore, South India, on the 17th of July, 1887. I was educated in the Donbow Protestant College, Madras. In 1898 I passed the Government Lower Secondary Examination. In 1904 I appeared for the Madras Matriculation and was successful. I then entered the First-in-Arts Class at the same College, and during the 6 months, that I attended the class, I appeared for the Handwriting and Dictation Test (a Government exam also) and was successful.

I should not have left the College so soon after passing the Matriculation, if it hadn't been that I felt that I was called to the Ministry. And so, I applied

11
to the ⁵ ~~Missionary~~ ³ College of St. Augustine with the object of returning to India after my ordination, and ⁵ was accepted on passing an Entrance Examination. In the course of a year I appeared for the Bishops' Central Examination and was successful, having taken Latin and Greek for the languages required. Since then I have taken up Hebrew as an Optional Subject for the Preliminary Examination for Candidates for Holy Orders, and have made some progress in it.

I have been here since September 1905, and before my Ordination I was anxious to take a degree. I therefore beg you to consider my application and to nominate me to the Government of India for the scholarship, which is to be given away in March 1908.

I am,

Sir,

The Secretary
Judicial & Public Deptt.
Government of Madras

Your obedient servant

W. H. C. Brady.

I applied to the India Office, Whitehall, and was told to apply direct to the Madras Government before the 31st March 1908.

Testimonials from members of the Staff of the Madras College and those from members of the Staff of S. A. C. can be forwarded, if required.

Copy of letter from the Secretary, Judicial and Public Department, India Office, Whitehall, London, S.W., to Mr. W.F. McCready, St. Augustine's College, Canterbury, No. J. & P. 1756, dated the 17th June 1907:

I am directed to acknowledge your letter of the 30th May concerning the scholarship for domiciled Europeans and Eurasians, and to inform you that the scholar for each year is selected by the Government of India from candidates nominated by the Local Government. Nominations were to be submitted to the Government of India not later than the 1st June this year, and not later than 31st March in future years.

It is therefore too late for you to be nominated for this year, but if you will be next year within the age limit (22) and still desirous of obtaining the scholarship, you should bring your case to the notice of the Local Government in time for nomination before the 31st March 1908.

Community.

Mr. D.A. McCready, retired Superintendent
of Prisons, Madras, submits an application from
his youngest son Water Frank for the scholarship
granted by the Government of India for members of
the domiciled European and Eurasian community in
India and requests that the Government will be
pleased to nominate his son for the scholarship to
be granted in 1908.

studying for six months in the F.A. class, he pro-
ceeded to England and joined the Missionary College
of St. Augustine at Canterbury with the object of
becoming a minister. He has since passed the

4. The conditions for the award of the scholarship as given in paragraph 3(i) of the Home Department Resolution, No.221/238, Education, dated 19th March 1907, printed with G.O. No.200, Edl., dated 5th April 1907, ~~are~~ are--

(2) The candidate must be not more than 22 years of age, of good physique and active habits and must produce medical evidence of good health.

5. The nomination is to be submitted by the 31st March each year.

6. Mr. McCready, being only 20 years old, is within the age limit, but he is not a graduate, nor has he passed the European High School Examination. He is also not now a pupil of a recognized school or College in India, and does not therefore satisfy the conditions specified above.

This, I submit, may lie over for the present. The candidate is

not too eligible & it had better be
 seen first if there are any other
 applicants before a nomination is
 sent to India. There is plenty of time.
 In the meantime Mr. Melnady ~~per~~
 may be told that his application
 has been ~~referred~~ ^{considered} and
 will be considered when a nomination
 is sent to India next year. Our
 last nominee was better qualified
 than this applicant but did not
 get the scholarship. (vide P. No. 304-10

But no final order has been
 received on the application.

I think it would be as well to inform
 Mr. Melnady at once that he ~~is~~

The very fact that he ^{has been} Resident
