The Hon'ble Member then observed: -

"We should first ask Bombay if they have any objection to the transfer of the boys and then we shall see whether we should address India or not to order the transfer under Section 15 (1) of the Reformatory Schools Act."

2. The Bombay Government agree to the transfer of the eleven boys in question and to any similar transfer being made in future, either from Madras to Bombay or from Bombay to Madras.

3. It is for consideration whether the Govt of India may now be moved to frame a rule on the subject. for the issue of an order under Sec. 15 (1) of the Reformatory Schools Act, authorising the transfer of youthful offenders from the Reformatory School at Madras to that at Bombay and vice versa.

LETTER:-- 597. dt 14. 9. 07

To

The Secretary to the Govt. of India,
Home Department.

Sir,

I am directed to address the Govt. of India regarding the transfer to the Yeravda Reformatory, ~~the per~~ Bombay, ~~of~~ juvenile offenders who are now detained there but who belong to the Presidency to which the transfer is desired.

2. These Eleven boys who are natives of the Bijapur and Darwar Districts of the Bombay Presidency and whose names are given in the accompanying list, were found guilty of counterfeiting coin and of possessing instruments for counterfeiting

and

from the Ref school at Madras
to from Yeravda to Bombay Madras

and were ordered ^{by the Magistrate} to be detained in the Reformatory ~~by the Magistrates~~ in this Presidency. Under the existing rules of the Reformatory School at Chingleput, every boy, when the time for his discharge arrives, has to be sent to the Magistrate of the District, in which his parents or relatives reside, while during the three years subsequent to discharge the Superintendent of the School is required to communicate with the District Magistrate once in every six months, ~~with the view of~~ ^{to} ascertaining the career of the pupil since his release. ~~As~~ ^{In} the present case the parents or near relatives of the boys referred to reside outside this Presidency, ~~it is apprehended~~ ^{and} that on their discharge from the Reformatory School here, their disposal and the maintenance of their after-history, ~~as explained above~~ will become a matter of difficulty. The Governor in Council therefore considers that it would not only conduce to administrative convenience but would also be in the best interests of these lads that they should be transferred to a Reformatory school in the Bombay Presidency.

3. The Government of Bombay who were consulted in the matter have no objection to the transfer to the Yeravda Reformatory of the eleven ^{juvenile offenders} ~~boys referred to~~, and also agree to similar transfers being made for the future of boys similarly circumstanced from Madras to Bombay and vice versa.

4.
