# NOTES.

C. No. 1499 From the Director of Survey No. 14, dated 21-6-1907.

SUBJECT.

Printing of the illustrations for Mr. Bruce Foote's Catalogue of prehistoric antiquities.

The Director of Survey reports that Mr. Bruce Foote considers that the illustrations to his catalogue will not be satisfactory unless printed by the half-tone process and requests that he may be permitted to send the negatives taken by his office to the Principal, Roorkee College, to be reproduced by the half-tone process. Under G.O. no. 1089 Rev. dated 8<sup>th</sup> May 1907 the illustrations for the reports and publications of the Agricultural Dept are reproduced by the half-tone process at the Roorkee College.

2. Submitted that the proposal of the Director of Survey may be approved.

A draft is placed below for approval.

Presumably the negatives are of a size suitable for reproduction into the Catalogue. We shall have to secure some low magnification of the Catalogue will be required to be printed. L.M. may be asked. H.B. will doubtless desire a few copies for his own personal use.

It is at any rate desirable that we should  
have an estimate of the cost so that Budget provi-

in the current year, if no special provision exists  
in the Museum Budget.

The Supdt. Govt. Museum states that  
the cost of the illustrations and map for  
the collection of prehistorics purchased from  
Mrs. Bruce Foote cannot be met from the  
Museum budget and that an application  
for an additional allotment will be made  
when an estimate of the cost has been  
received from the Principal of the Parki  
College. The Supdt. has not reported how  
many copies of the Catalogue should be printed.  
Perhaps he will furnish this information also  
later on.

The Supdt's letter may it is submitted
