From (Name) The Hon'ble Mr. T. T. Logan, B.A.,
(Designation) Ag: Director of Public Instruction,

Madras.

To the Secretary to the Government of Madras,
Educational Department

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government to an increase of rent allowance from Rs 25 to Rs 40 for the office of the Inspectress of girls' Schools, Central Circle in the circumstances given below.

2 The present allowance was sanctioned in G.O. No. 442, Educational, dated 7th August 1897, and the Inspectress reports that it is quite inadequate as during the last 10 years house rent has risen considerably in Madras and more accommodation is now needed for the office, the size of which has much increased. The rent of the building occupied by Miss Arnold is Rs 120 per mensem and the portion thereof allotted to the office is more than a third of the bungalow for which a rent of Rs 40 per mensem is considered reasonable by the Executive

Engineer,

2 4 4 2
Engineer, Presidency Division. I therefore recommend that the increased rent of Rs 40/- per mensem be sanctioned with effect from the 23rd March 1907-the date on which the present building was occupied by Miss Arnold on her return from furlough.

3 The extra expenditure for the current year can be met from the contingent allotment of the Inspectress's office.

I have the honour to be,

S i r ,

Your most obedient servant,

C. W. S. S. S.

NOTES.

C. No.1943, from the Director of Public Instruction, No.3254, d/9-8-1907.

Subject.

Increased rent allowance to the
Inspectress of Girls' Schools, Central
Circle.

The D.P.I. requests sanction to increase the
rent allowance for the Office of the Inspectress
of Girls' Schools, Central Circle, from Rs.25 to
Rs.40 per mensem.

2. The rent allowance for the Offices of the
Inspectors of Schools and the Inspectresses of
Girls' Schools was originally Rs.10. In G.O. No.
181 N., dated 28th July 1882, the Government raised
the allowance from Rs.10 to Rs.15 in the case of all
the officers above referred to. In 1897 the amount
of rent allowance to the Inspectress of Girls'
Schools, Central Circle, was raised from Rs.15 to
Rs.25 per mensem on the ground that she had to find
accommodation for a larger number of clerks than
in 1882, when the allowance of Rs.15 was fixed, and
for a large collection of records.

3. When the allowance of Rs.15 was fixed, the
office establishment of the Inspectress consisted
only of two clerks. This was revised and an esta-
blishment consisting of four clerks was sanctioned
in G.O. No.131, Edl., dated 10th March 1883.

4. The increase of rent allowance from Rs.25 to
Rs.40 is now asked for on the following grounds:--

(1) that the present allowance, viz. Rs.25,
is quite inadequate, as during the last ten years

There has been no increase in the number of clerks in the office which is only four, the same as in 1883 -

house rent has risen considerably in Madras;

(2) that more accommodation is needed for the office, the size of which has much increased;

and (3) that more than a third of Miss Arnold's bungalow is allotted for the office. The rent of the entire bungalow is Rs.120 and a rent of Rs.40 per mensem for the portion allotted for the office is considered reasonable by the Executive Engineer.

5. It is for consideration whether the Director's recommendation may be accepted and the increased rent sanctioned with effect from 23rd March 1907, the date on which Miss Arnold returned from furlough. The Director adds that the extra expenditure can be met from the contingent allotment for the office of the Inspectress in the current year.

Are there no orders which refer to the office being in the same building as the ~~ass~~ Inspectress's residence? It is not generally advisable that office & residence should be combined.

CL
14.9.7

Submitted that there appears to be no orders on the subject. Paragraph 711 of the Public Works Code deals with the subject of rent for office accommodation for

for Public Works officers.

2. Paragraph 711(3) of the P. W. Code says that when Executive Engineers and Superintendents provide accommodation for their offices in the building in which they reside, they may be allowed to draw office rent upto Rs 30 a month and in special cases upto Rs 45 a month but that in no case the office rent should exceed half of the rent of the whole house subject to the same maximum.

3. Paragraph 711(4) says that when a sub-divisional officer provides accommodation for his office in his residence he may be allowed a fair proportion of the rent actually paid for the house he occupies; but that if the building is a private one the rent to be paid by Government should be limited to one-third its actual rent and to Rs 20 per mensem.

On the analogy of paragraph 711(4) of the P.W. Code, the Sub-assistant Inspector of the Nilgiri Range was allowed a rent of Rs 6.10.8 per mensem, for the portion of his residence which was occupied by his office, or one third of the rent of the whole building - vide go. No. 391 Est., dated 18th June 1907.

allowance may be sanctioned. It does not seem advisable, ^{however} that office & residential should be in the same building.

Chs
7.4.7.

Mr. Arnold, in particular, is always coming up for extra "allowances". It does not appear that there has been any increase in the establishment since the "allowance" was last raised in 1897, nor can it be urged that house rent in Madras has risen by 66 per cent in the last ten years.

2. As a rule "rent allowances" are only given when no other adequate suitable accommodation is available. It would be a good thing to construct a suitable central office building for all Educational officers on duty at the Presidency. The system of house rent "allowances" is not to be encouraged.
