Station Madras , Dated the 15th August 1907.

From (Name) C.G. TODHUNTER ESQUIRE, I.C.S.,

(Designation) Collector of Sea Customs.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to forward herewith for favour
of the consideration of Government an application from
Mr. J.F.W. Johnson, Superintendent of Miscellaneous Sec-
tion in this office praying for permission to appear for
the Special Test Examinations for which he is not educa-
tionally qualified.

2. Mr. Johnson is an Eurasian officer of the Salt
Department who was specially posted to this office in
January 1906. On its being discovered in the current
year that he had not the full educational qualifications
for the appointment which he holds, an exemption on his
behalf was applied for and a temporary exemption until
the results of the examination to be held in October next

are published was granted by Government in G.O. No. 246 Educational Routine, dated 28th May 1907. This, however, will be of no value to him if he is not permitted to appear for the examination for which he has made his application.

3. Mr. Johnson further asks that he may be given a general permission to appear for the Special Test Examinations which it may be desirable for him to pass in order to qualify himself for higher appointments, and I beg to recommend that in the circumstances of the case the permission asked for may be granted.

I have the honor to be,

Sir,

Your most obedient servant,

Todhunter

C. No.2027, from the Collector of Sea Customs, No.1761, dated 15-8-1907.

Subject.

Exemption from examination rules and permission to appear for special tests.

H.

In G.O. No.246 R., dated 28th May 1907, Mr. Johnson, Superintendent of the Miscellaneous Section in the Office of the Collector of Sea Customs, Madras, was temporarily exempted from the Translation test, Lower grade, and the Precis Writing test until the publication of the results of the examinations to be held in October 1907. But as he has passed only the Middle School examination he cannot appear for these tests without the special sanction of Government.

Pages 3+47 cf.

2. Mr. Johnson therefore requests,

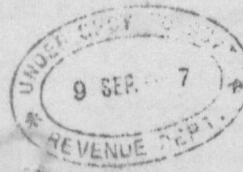

(1) that he may be permanently exempted from the Upper Secondary examination,

(2) that he may be permitted to appear for the Translation test, Lower grade, and the Precis Writing test to be held in October 1907, and

(3) that he may be given general permission to appear for all the special tests which it may be desirable for him to pass in order to qualify himself for higher appointments.

The Collector of Sea Customs (Mr. Todhunter) supports the application.

3. The first request of Mr. Johnson, viz: that he may be permanently exempted from the Upper Secondary examination, is for orders.

4. As regards his second request, viz: that he may be permitted to appear for the Translation test, Lower grade, and the Precis Writing test to be held in 1907, he may perhaps be permitted to do so. Mr. Johnson has already sent in his application for those tests, but the Commissioner for Government Examinations has provisionally admitted him as a candidate and has demanded the sanction of Government for his admission to the examination.

5. As regards his third request, namely, that he may be given general permission to appear for ^{Special} any tests which it may be desirable for him to pass; it does not appear that such a general exemption should be granted.

6. Before, however, passing final orders in the matter it is submitted that the remarks of the Revenue Department may be invited u.o.

2 All persons in the Sea Customs Dept who hold appointments which carry salaries of Rs 50 & upwards have to pass Salt Test ⁹ & (Higher grade) and Translation Test (Lower grade). Further, persons holding ministerial appointments the maximum pay of which is not less than Rs 600 have to pass the Precise Writing Test. Mr Johnson, having already passed Test ^{ix} 9, was temporarily exempted in G.O. No 246 Dated 28.5.07, from passing Translation Test (Lower grade) & Precise Writing Test - The two tests which Mr Johnson has to pass so far as the Customs Dept is concerned - until the results of the examinations to be held in October 1907 are announced.

3 Mr Johnson has sent in an application for the Precise Writing & Translation Test (Lower grade) ~~examination~~ to be held in October next. As he has passed only the Middle School Examn he cannot appear for those tests under para 4 of the Special P. Test Notification without the special sanction of Govt. Pending this sanction the Commissioners for Govt Examinations has provisionally admitted him as a candidate. Mr Johnson now requests that he may be exempted from the Upper Secondary Examination for the purpose of appearing for Spl Tests and thus enabled to appear not only for the two tests referred to above but also for any of the Special Test Examinations in general. Perhaps in regard to these tests he may be permitted to appear for another year also, so that he may not renew his application next year in case he fails to pass the tests this year.

5 As regards Mr Johnson's request that he may be permanently exempted from the Upper Secondary Examination to appear for any of the special test examinations in general, the Coln of Customs recommends that the request may be granted. Attention is, however, solicited to the 4th of Mr Forbes' remarks on page 6 of R.O. No 333 Dated 4.7.07 in connection with an application from Mr D. H.
