From the Director of Public Instruction, dated 1st July 1907, No. 4440.

In G.O., No. 235, Educational, dated 13th May 1907, the Government sanctioned the proposal of the Director of Public Instruction to transfer to Bellary the Government Training school for Muhammadan women at Gunnairbeed in the Vizagapatam district.

2. The Director now proposes to transfer only the training section of the Gunnairbeed school to Bellary and to retain at Gunnairbeed the practising section attached to the Training school as an Elementary school for Muhammadan girls is needed at Gunnairbeed.

3. The following is the sanctioned scale of establishment of the Gunnairbeed Training school:—

First assistant	25	
Second "	14	} Practising section
Third "	12

vide page 3 of G.O., No. 783, Educational, dated 1st December 1906.

4. The Director's present proposal is to transfer the head and the first assistant mistress to Bellary and to retain the second, third and fourth assistants at Gunnairbeed.

5. The Director of Public Instruction further states that the new Training school at Bellary will be started with a headmistress on Rs. 50 and an assistant on Rs. 25 and that the Inspectress will be required to report what additional staff will be required for the practising section. The cost of this additional staff, he remarks, can be met from the amount reserved out of the special grant of 6 lakhs for the improvement of Muhammadan girls' schools.

6. It is for consideration whether the Director's proposals may be approved.

T.K.—16-7-07.

To begin with, the proposals of the Director of Public Instruction do not involve any extra expenditure. But when a practising section is attached to the Training school at Bellary, some extra establishment will be required, the strength of which will depend on the attendance of the practising section. The Training school at Gunnairbeed has been closed, and the school will probably begin work in Bellary only from January next. The extra cost which would be involved by the Director of Public Instruction's proposals may be met from the savings in the provision for the Training

school, or from the sum of '83 lakh reserved in the civil budget estimate for "the improvement of the scale of salaries of school mistresses in Muhammadan primary girls' schools and for the provincialisation of the establishment of supervisors of primary schols"—*vide* paragraph 15 of letter No. 15, Financial, dated 21st January 1907.

The Director of Public Instruction furnishes no information as to the number of girls under education in the practising section at Gunnairbeed. Is this known and how many standards there are? Is the Gunairbeed school held in a rented building or do the buildings belong to Government?

Is there a Government Muhammadan girls' school at Bellary which could be transferred with its staff to the practising section of the Training school in that town?

The Director of Public Instruction's proposal is to retain at Gunnairbeed, Waltair, as an elementary school for Muhammadan girls the practising section of the Government training school for Muhammadan mistresses, which has been transferred to Bellary (G.O., No. 285, dated 15th May 1907). The school contains five standards with 49 pupils, and should therefore under rule 81 of the Educational rules have three teachers as proposed.

2. But, in accordance with the scale approved in G.O., No. 515, Educational, dated 8th August 1907, the scale for three teachers should be Rs. 20, Rs. 15, Rs. 12 and not Rs. 14, Rs. 12, Rs. 10; the minimum for untrained teachers being Rs. 10. The revised scale may be approved and the Director of Public Instruction asked to submit a proposition statement accordingly. The additional cost will be Rs. 12 and Rs. 11 or Rs. 132 per annum which can be taken as a charge against the 6 lakhs grant. When the practising section at Bellary is organised, the staff required for that section will
