In reply to Government Order No. 1513-W dated 17th July 1906, I have the honour to submit herewith, for publication in the Fort St. George Gazette a draft declaration for the acquisition of the site required for the Government Girls' school at Nellore and to request that the Head Quarters Deputy Collector, Nellore, may be authorized to take order for the acquisition of the same.

2. The owners have objected to the acquisition and the objection petition presented by one of them stating that their dwelling house will be rendered less comfortable on account of the acquisition of the back yard and that there are in the site a pipal and a margosa tree with an anthill attached to them, and used as objects of worship. The Inspectress of Girls' Schools did not select the site first upon this objection of the owners but after personal inspection of the several sites shown, selected ^{this} for want of a suitable site open to less objection. The late Executive Engineer, himself a Hindu, considered the religious objection frivolous.

I have the honour to be

Your most obedient servant,

The Collector of Nellore

Most Respected Sir

The humble petition of Venne-
lagunty Ramachandrarao (owner of the proposed
land for Govt Girls' school Nellore) most
respectfully sheweth:—

1 That your humble petitioner learns that
the Inspectress of Government Girls' schools has
proposed again the petitioner's backyard as the
site for locating the intended Girls' school, Nellore.

2 your humble petitioner begs to submit
that several local gentlemen have heretofore
offered to purchase the site in question at a fancy
price which your petitioner had to decline for
fear of thereby diminishing the open space
attached to your petitioner's house and hence
the value and convenience thereof

3 your humble petitioner further begs to state
that he is a man of large family and that the
site in question is utilised for keeping the
petitioner's cattle, for storing his paddy + grass
and housing his numerous sudra servants
if as it seems to be proposed to do, the petitioner's
whole backyard is taken away, your humble
petitioner very much regrets to say he has
to abandon his house altogether, as then
what is left would fail to answer his purposes
as said above

4 There is a combined Raji and Margosa
trees in the compound of your petitioner's

Sir,

In reply to Government Memo No. 416, dated 28th August 1906, I have the honour to state that the owner of the site proposed to be acquired does not desire that his house also should be acquired; on the otherhand, he is not willing to part with the whole of the site already selected for acquisition.

2. The Divisional Officer reports that another site equally good and cheaper is available close by and I have therefore addressed the Inspectress of Girls' Schools, Central Circle to let me know whether it suits her. On receipt of a reply, I shall report the result to Government in due course.

Sir,

With reference to Memorandum dated 20th August 1907, No. 2029, I have the honour to state that the matter is still under correspondence with the Head Quarter Deputy Collector and the Executive Engineer, Nellore Division, as there is a difference of opinion between them as to the suitability of the alternative site selected by the former and that a draft declaration will be submitted soon after the receipt of land plan and schedule from the latter.
