EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from Lieut.-Colonel J. C. MARSDEN, I.M.S., Superintendent, Reformatory School, Chingleput.  
To—the Director of Public Instruction.  
Dated—the 21st August 1907.  
No.—C. 165/Genl.

I have the honour to state that on your recommendation, Government in their order No. 620, dated 15th September 1899, were pleased to exempt the pupils of this school from the payment of fees prescribed for admission to the Primary examination which has now been abolished; but the pupils continue to pay their fees from their own savings for admission to the Government Technical examinations. You were pleased to grant to successful candidates a reimbursement of their fees from the Fine fund. But owing to the shrinkage of the Fine fund, no fees have been refunded to the successful pupils since 1905. The present balance under this fund is only Rs. 21-2-2, which is quite insufficient to meet the expenditure and there is no other source from which to recoup their fees. As this is a great hardship to the boys I request you will be pleased to address Government on the subject with a view to exempt the pupils of this institution, who may appear for the Government Technical examinations, from the payment of the fees prescribed for admission to that examination.

Ref. on Cur. No. 6186, dated 12th September 1907.

Submitted to Government, Educational Department, and recommended that the sanction applied for by the Superintendent may be granted.

T. T. LOGAN,  
Ag. Director of Public Instruction.

A pupil of the Reformatory School, Chingleput, who appears for the Government Technical examinations, will be exempted from the payment of the fees prescribed for admission to those examinations.
