Mr. Hunter's original list, mailed into the Records office of S.D. 383-82-18 June 1907, appears to have been very inaccurate. He seems to have taken no real pains to verify it. "Not into students" whose apologies were left with the sympathetic instructors, and students who were found to have apologized, and students who are now stated to have been absent, the list of suspension has been considerably swelled.

The D.D. has been asked to obtain & furnish a
complete list of all students who were on the
rolls of the College at the time of the secession
and ^{of those} who are now continuing their course in
the College. This seems to be the only way
of obtaining an accurate statement of the fact-

I submit that it is desirable to get a definite
& final list. There were a good many
inaccuracies in the original list furnished by
Mr Hunter, and a definite statement showing
the students who are continuing their course
in the College, ~~and the student would enable~~
Govt. to check accurately the list of those
who have been placed under disabilities,
& so save further references.

& In a separate file sent to this
Dept by Revenue the question was
raised as to the prohibition of the
employment of these students in the
public service during the period of their

punishment. If it be decided to take
action on this question it will be necessary
to have an accurate list for communication
to all departments.
