GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from G. B. H. FELL, Esq., Deputy Secretary to the Government of India, Home Department (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Simla, the 18th September 1907.
No.—752.

I am directed to address the Government of Madras regarding the recruitment of Assistant Superintendents for the Telegraph Department from the Thomason College, Rurki.

2. On the formation of the Provincial Service of the Telegraph Department a class called the Electrical Engineer class was formed at Rurki for the recruitment of candidates for that service. One nomination per annum to this class was given on certain conditions to each of the Engineering Colleges at Madras, Poona and Sibpur. This method of recruitment has, however, proved unsatisfactory and the Government of India are now reconsidering the question in connection with the report of the recent Telegraph Committee. Pending the result of that consideration they are of opinion that the privilege of nomination at present enjoyed by the Madras Engineering College should be suspended, and I am to request that if the Governor in Council has no objection, the Principal may be so informed.

Order—No. 659, Educational, dated 2nd October 1907.

The Principal of the College of Engineering, Madras, will be informed that the Government of India are now reconsidering the method of recruitment for the Provincial Service of the Telegraph Department in connection with the report of the recent Telegraph Committee; and that pending the result of that consideration the privilege of nomination to the Electrical Engineer class at Rurki at present enjoyed by the Madras College of Engineering will be suspended.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction (order only).
