Approving the alterations proposed by the Director of Public Instruction in the rules for the award of the — and requesting him to submit a formal application for vesting the property in the Treasurer of Charitable Endowments.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. T. T. LOGAN, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 14th September 1907.

No.—Ref. on Cur. No. 5223.

In view of the abolition of the Primary examination upon the results of which the Princess Alice Scholarship in the Tanjore district is to be awarded in accordance with rule 4 of the rules for the award of the above scholarship approved in G.O., No. 800, Educational, dated 4th October 1895, I have the honour to propose for the approval of Government the following modification of rules 4 and 5 for the award of the scholarship :—

Rule 4.—"The scholarship shall be open to Hindu, Muhammadan and Christian girls, being natives of the Tanjore district who have obtained an Elementary school leaving certificate marked good or who are studying in the fourth class of a secondary school during the school year in which the examination for the scholarship is held. The scholarship shall be awarded when a vacancy occurs on the results of an examination to be held by the Sub-Assistant Inspectress of Schools, South Arcot-Tanjore Girls' Range, at a convenient time to be notified in the *Tanjore District Gazette* and the subjects of the examination shall be the vernacular language of the candidate and Arithmetic. The scholarship shall ordinarily be awarded by the Director to the candidate who stands first in the examination but it shall be open to the Director on the recommendation of the Inspectress to select any one of the other candidates. The examination may be conducted simultaneously in the several schools in which the candidates are studying provided that the Sub-Assistant Inspectress is satisfied that the supervision in the same is adequate and genuine and failing this in convenient centres to be selected by the Sub-Assistant Inspectress."

Rule 5.—"The holder of the scholarship shall be required to continue her studies for three years in any recognized secondary school."

Order—No. 686, Educational, dated 9th October 1907.

The proposed alterations in the rules for the award of the Princess Alice Scholarship seem to be necessary, but before carrying them out, it appears to be desirable to vest the endowment pertaining to this scholarship formally in the Treasurer of Charitable Endowments under the Charitable Endowments Act VI of 1890. The Director of Public Instruction is requested to submit a formal application, under section 6 of the above Act, signed by himself and the Accountant-General, for vesting the property in the Treasurer of Charitable Endowments.

2. He should also submit a draft notification vesting the property in the Treasurer of Charitable Endowments and settling a scheme for its management, embodying the modifications now proposed in the rules.

From the Director of Public Instruction, Madras, dated 14th September 1907,
No. 5223.

The scholarship was founded by the Princess of Tanjore in the year 1880 in honour of Her Royal Highness the late Princess Alice. The endowment was accepted and a set of rules for the scholarship was approved by Government in G.O., No. 99, Educational, dated 31st March 1880.

2. The rules were subsequently modified in G.O., No. 210, Educational, dated 9th March 1892, and again in G.O., No. 800, Educational, dated 4th October 1895.

3. The scholarship is to be awarded on the results of the Primary examination under rule 4 of the existing rules, which runs—

"The scholarship shall be open to Hindu, Muhammadan and Christian girls, being natives of the Tanjore district, and shall be awarded, when a vacancy occurs, to the girl who stands highest in the district in the Primary examination in the compulsory and two optional subjects in the year in which the vacancy occurs."

4. Rule 5 of the existing rule runs—

"The holder of the scholarship shall be required to continue her studies for three years in any recognized school in which provision is made for teaching up to the Lower Secondary examination."

5. In consequence of the abolition of the Primary and Lower Secondary examinations, the Director of Public Instruction proposes to modify these rules as follows:—

"Rule 4.—The scholarship shall be open to Hindu, Muhammadan and Christian girls, being natives of the Tanjore district who have obtained an elementary school leaving certificate marked good or who are studying in the 4th class of a secondary school during the school year in which the examination for the scholarship is held. The scholarship shall be awarded when a vacancy occurs, on the results of an examination to be held by the Sub-Assistant Inspectress of Schools, South Arcot-Tanjore Girls' Range, at a convenient time to be notified in the *Tanjore District Gazette* and the subjects of the examination shall be the vernacular language of the candidate and Arithmetic. The scholarship shall ordinarily be awarded by the Director to the candidate who stands first in the examination, but it shall be open to the Director on the recommendation of the Inspectress to select any one of the other candidates. The examination may be conducted simultaneously in the several schools in which the candidates are studying, provided that the Sub-Assistant Inspectress is satisfied that the supervision in the same is adequate and genuine and failing this, in convenient centres to be selected by the Sub-Assistant Inspectress."

"Rule 5.—The holder of the scholarship shall be required to continue her studies for three years in any recognized Secondary school."

6. The proposed modifications seem to be necessary, but in view of the opinion of the Advocate-General given in similar cases—*vide* G.O., No. 148, Educational, dated 13th March 1902, and G.O., No. 826, Educational, dated 8th December 1899—that the conditions of a charitable trust once definitely settled cannot be altered unless by Court or under the provisions of the Charitable Endowments Act, it is for consideration whether the modifications proposed by the Director of Public Instruction may be approved, or whether the Director of Public Instruction may be asked to take steps to vest the endowment in the Treasurer of Charitable Endowments and to settle a scheme for its administration, in which case the Government can alter the rules.
