I

G.O., No. 570, Educational, dated 31st August 1907.

II

Letter—from C. A. PATERSON, Esq., M.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—the 27th August 1907.
No.—Ref. 45.

I am directed by the Syndicate to submit to Government the accompanying statement of the accounts of the Government contributions to the University for the period from 1st May 1906 to 30th June 1907. With my letter No. 1220, dated the 3rd May 1906, the accounts were rendered to Government to the 30th April 1906. They are now rendered up to the 30th June last since the Bank pass-book has been closed by the Bank of Madras up to that date.

The contributions made to the University were expended for the following purposes :—

- (1) Payments for travelling expenses of Fellows, etc.
- (2) Charges connected with inspection of colleges.
- (3) Charges connected with University lectures.

The detailed accounts thereof will be found in the accompanying book; but an abstract statement of the receipts and disbursements under each head is herewith attached for ready reference. The vouchers for payments are also submitted for examination and return.

2. With reference to the travelling charges and honorarium paid to the Rev. A. Moffat, I am to explain that in February 1907, he was appointed under Regulation 350 to make a local inquiry and report on the application from the manager, B.G.M. High school, Calicut, for the affiliation of the institution as a second-grade college; and he was paid a fee of Rs. 200, and travelling allowance admissible to first-class officers under the Civil Service Regulations in accordance with the instructions conveyed in G.O., No. 802, Educational, dated the 8th December 1906. These charges were met from the Government grants.

3. It will be seen from the abstract statement that the actual unspent balance now in hand is only Rs. 2,782-14-9. This amount, the Syndicate considers, will be insufficient to meet the travelling charges of Fellows, etc., until the end of the current official year.

In this connection I am to inform Government that it is proposed to have a course of University lectures on experimental mathematics during next December similar to those given last year and to arrange for their being delivered in Madras, Rajahmundry, Trichinopoly and Coimbatore, so as to give admission to a larger number of teachers. The Syndicate also anticipates that arrangements will have to be made for the inspection of several colleges which are expected to apply for affiliation in new groups of studies under the Regulations. Additional funds will therefore be required for these purposes, and I am directed to request that His Excellency the Governor in Council will be pleased to make a further contribution of Rs. 10,000—Rs. 5,000 towards the cost of travelling expenses of Fellows, and another Rs. 5,000 towards charges connected with University lectures and inspection of colleges.

NOTES CONNECTED WITH G.O., No. 696, EDUCATIONAL, DATED
15TH OCTOBER 1907.

[SUBJECT.—Application from the Syndicate of the Madras University for a further
contribution to meet the travelling charges of Fellows, etc.]

From the Registrar, Madras University, dated 27th August 1907, No. 45.

With his letter No. 1220, dated 3rd May 1906, printed with G.O., No. 371, Educational, dated 26th May 1906, the Registrar of the University of Madras submitted a statement of the account of the contributions * made to the University for payment of travelling expenses of Fellows and for expenditure connected with the inspection of colleges. This statement showed a balance of Rs. 109-4-0 under the contribution for payment of travelling expenses of Fellows and balance of Rs. 1,816-9-3 under the contribution for inspection of colleges.

Vide page 3 of G.O., No. 371, Educational, dated 26th May 1906.

For travelling allowance of Fellows	5,000-	0-0	
For inspection of colleges ..	16,512-	10-6	
	21,512-	10-6	

2. Since then, the Government have made the following further contributions:—

	RS.
For honorarium to the Rev. J. D. W. Sewell—G.O., No. 301, Educational, dated 28th April 1906	500
For travelling expenses of Fellows—G.O., No. 371, Educational, dated 26th May 1906, and	10,000
For charges connected with University lectures in Mathematics—G.O., No. 797, Educational, dated 7th December 1906	2,000

3. The University have now to account for Rs. 14,459-3-3, including the sum of Rs. 33-6-0 refunded by a clerk and a peon on account of travelling expenses overdrawn, as follows:—

RS.	A.	P.
109	4	0

500	0	0
10,000	0	0
2,000	8	0
33	6	0
14,459	3	3

4. The Registrar now submits a statement of the account for the period from 1st May 1906 to 30th June 1907. The expenditure incurred during this period amounts to Rs. 11,676-4-6 as follows:—

	RS.	A.	P.
Travelling expenses of Fellows	6,679	13	6
Charges connected with the inspection of colleges	2,947	0	0
Charges connected with University lectures	2,049	7	0
Total ..	11,676	4	6

* This is the balance on 30th June 1907, according to the Bank pass-book.

The balance on the 1st July 1907 was thus Rs. 2,782-14-9 * (Rs. 14,459-3-3 minus Rs. 11,676-4-6).

5. The Syndicate propose to have a course of University lectures on experimental Mathematics during next December to be delivered in Madras, Rajahmundry, Trichinopoly and Coimbatore. They also anticipate that arrangements will have to be made for the inspection of several colleges which are expected to apply for affiliation in new groups of studies. They state that the balance of Rs. 2,782-14-9 now with them will be insufficient for these purposes and apply for a further contribution of Rs. 10,000—Rs. 5,000 for travelling expenses of Fellows and Rs. 5,000 for charges connected with University lectures and inspection of colleges.

6. The total amount of special grants available for expenditure on University and College purposes up to the end of 1907-1908 are Rs. 95,000 and Rs. 2,90,000 respectively as shown below :—

Year.	University.	College.	Total.
	RS.	RS.	RS.
G.O., No. 190, Educational, dated 28th March 1905.	1904-1905	20,000	50,000
	1905-1906	25,000	80,000
G.O., No. 29, Educational, dated 18th January 1906.	1906-1907	25,000	80,000
	1907-1908	25,000	80,000
	Total ..	95,000	2,90,000
			3,85,000

7. Grants amounting to Rs. 1,33,370 have already been paid to the University as noted below :—

	RS.
Grants to University for travelling allowances of Fellows, inspection of colleges and University lectures	33,370
G.O., No. 570, Educational, dated 31st August 1907. Grant to University for library	1,00,000
Total ..	1,33,370

8. This sum is Rs. 33,370 in excess of the special grants allotted for University purposes up to the end of the current year and Rs. 13,370 in excess of that available until the end of 1908-1909. Attention is, however, solicited to paragraph 3 of the Secretary's note on page 23 of the notes with G.O., No. 570, Educational, dated 31st August 1907, from which it will be observed that the grant of one lakh paid towards the University library is to be debited against the amount sanctioned for the improvement of collegiate education. In this case, there will be a balance of Rs. 61,630 (Rs. 95,000 minus Rs. 33,370) in the grant made for University purposes, out of which the grant of Rs. 10,000 now asked for by the University may be sanctioned. Please see also the Secretary's remarks in paragraph 6 of his note on page 24 of notes with G.O., No. 570, Educational, dated 31st August 1907.

9. In the current year's budget, there is a provision of 2 lakhs under 22 Education—University. Out of this amount, a sum of Rs. 1,00,000 has already been paid to the University towards the foundation of the University library and a sum of Rs. 1,00,000 is available. It is for consideration whether a sum of Rs. 10,000 may, as requested by the University, be placed at their disposal.

K. RANGASWAMI Aiyangar—22-9-07.

C. A. SOUTER—23-9-07.

An additional grant of Rs. 10,000 may be made as asked for out of the balance of Rs. 1,00,000 still available out of the budget provision. The Director of Public Instruction should then limit his proposals for expenditure on colleges in the current year to Rs. 90,000.

H. D. TAYLOR—24-9-07.

To the Financial Department for remarks.

FINANCIAL DEPARTMENT.

Submitted that the proposal of the Educational Department may be accepted, and Educational may be asked to consider the question of the audit by the Accountant-General of the travelling allowance paid to Fellows.

V.G.K.—26-9-07.

C. M. SCHMIDT—27-9-07.

The above proposal may be accepted.

H. BRADLEY—30-9-07.

Out of what money is this to be paid? Is it not to go against the grant referred to in paragraph 6, page 2 of the notes? Why is the lakh to go against the money sanctioned for collegiate education? Why should it not go against this grant? G.O. No. 570 is not in the file.

G. S[TOKES].

As I understand the facts, there is a grant in the budget of 2,00,500 for University, of which 1 lakh only has been allotted. It is proposed to allot Rs. 10,000 from this. The figures in the Educational note merely confuse the issue; paragraph 9 alone is sufficient. Perhaps Educational will submit the case to Honourable Member again with the Government Order above referred to and the notes.

H. BRADLEY—1-10-07.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

Please put up printed copy of G.O., No. 570, dated 31st August 1907, which has, I think, now been received from the press.

A copy of G.O., No. 570, Educational, dated 31st August 1907, with notes is put up.

K. RANGASWAMI Aiyangar—4-10-07.

C. A. SOUTER—5-10-07.

G.O., No. 570, Educational, dated 31st August 1907, was in the press and not available for reference when the file was originally circulated.

2. Educational now asks that an allotment of Rs. 10,000 may be made to the University for the purposes indicated on page 2, current file, viz., Rs. 5,000 for travelling allowance of Fellows, and Rs. 5,000 for lectures and inspection, out of the balance of Rs. 1 lakh still remaining unallotted out of the current budget provision of Rs. 2 lakhs. This allotment may now be made.

3. With reference to "A" on the Chief Secretary's note *supra*, it is submitted that though the information furnished in the note is not necessary for the purpose of Financial which takes action with reference to the total provision, it is required for the information of the Honourable Member in the administrative department, as India have marked the total grant, *quâ* Educational Department for two distinct purposes.

No. 696, EDUCATIONAL, 15TH OCTOBER 1907.

Paragraph 2 of note 7th explains what is wanted.

G. S. F[ORBES]—8-10-07.

There is no objection to the 10,000 now asked for going against the 2,00,000 in the budget on the understanding that it is ultimately charged against the 1,05,000 special grant for the University. I understand from G.O., No. 570 of 31st

Yes.

SENATE HOUSE, 27 AUG 1907

FROM

C. A. PATERSON, Esq., M.A., LL.B.,

Registrar, University of Madras,

To

The Secretary to Government

Educational Department.

Sir,

I am directed by the Syndicate to submit to Government the accompanying statement of the accounts of the Government contributions to the University for the period from 1st May 1906 to 30th June 1907. With my letter No. 1220 dated the 3rd May 1906, the accounts were rendered to Government to the end of 30th April 1906. They are now rendered up to the 30th June last since the Bank Pass Book has been closed by the Bank of Madras up to that date.

The contributions made to the University were expended for the following purposes:-

- (1) Payments for travelling expenses of Fellows etc.
- (2) Charges connected with Inspection of Colleges.
- (3) Charges connected with University lectures.

The detailed accounts thereof will be found in the accompanying book; but an abstract statement of the receipts and disbursements under each head is herewith attached for ready reference. The vouchers for payments are also submitted for examination and return.

2. With reference to the travelling charges and honorarium paid to the Rev. A. Moffat, I am to explain that in February 1907, he was appointed under Regulation 350 to make a local

inquiry and report on the application from the Manager, B.G.M. High School, Calicut, for the affiliation of the institution as a second grade college; and he was paid a fee of Rs200, and travelling allowance admissible to first class officers under the Civil Service Regulations in accordance with the instructions conveyed in Government Order No. 802-Educational- dated the 8th December 1906. These charges were met from the Government grants.

3. It will be seen from the abstract statement that the actual unspent balance now in hand is only Rs2,782-14-9. This amount, the Syndicate considers, will be insufficient to meet the travelling charges of Fellows etc until the end of the current official year.

In this connection I am to inform Government that it is proposed to have a course of University lectures on Experimental Mathematics during next December similar to those given last year and to arrange for their being delivered in Madras, Rajahmundry, Trichinopoly and Coimbatore so as to give admission to a larger number of teachers. The Syndicate also anticipates that arrangements will have to be made for the inspection of several colleges which are expected to apply for affiliation in new groups of studies under the Regulations. Additional funds will therefore be required for these purposes, and I am directed to request that His Excellency the Governor in Council will be pleased to make a further contribution of Rs10,000,- Rs5,000 towards the cost of travelling expenses of Fellows, and another Rs5,000 towards charges connected with University Lectures and Inspection of Colleges.

This statement showed a balance of Rs.109-4-0 under the Contribution for payment of travelling expenses of Fellows and balance of Rs.1,816-9-3 under the contribution for inspection of colleges.

2. Since then, the Government have made the following ^{further} contributions:--

4. The Registrar now submits a statement of the account for the period from 1st May 1906 to 30th June 1907. The expenditure incurred during this period amounts to Rs. 11,676-4-6 as follows:--

Travelling expenses of Fellows	Rs. 6,679-13-6 ✓

The balance on the 1st July 1907 was thus Rs. 2,782-14-9 (Rs. 14,459-5-3 minus Rs. 11,676-4-6).

5. The Syndicate propose to have a course of University lectures on experimental Mathematics during next December to be delivered in Madras, Rajahmundry, Trichinopoly and Coimbatore. They also anticipate that arrangements will have to be made for the inspection of several colleges which are expected to apply for affiliation in new groups of studies. They state that the balance of Rs. 2,782-14-9 *now* with them will be insufficient for these purposes and apply for a further contribution of Rs. 10,000 - Rs. 5,000 for travelling expenses of Fellows and Rs. 5,000 for charges connected with University lectures and Inspection of Colleges.

6. The total amount of special grants available for expenditure on University and College purposes up to the end of 1907-08 are Rs. 95,000 and Rs. 290,000 respectively as shown below:--

Year.	University. Rs.	College. Rs.	Total. Rs.

8. This sum is Rs.38,370 in excess of the special grants allotted for University purposes up to the end of the current year and Rs.13,370 in excess of that available until the end of 1908-09. Attention is, however, solicited to para.3 of the Secretary's note on page 23 of the notes with G.O. No.570, Edl., dated 31st August 1907, from which it will be observed that the grant of one lakh paid towards the University library is to be debited against the amount sanctioned for ^{the} improvement of collegiate education. In this case, there will be a balance of Rs.61,630 (Rs.95,000 minus Rs.33,370) in the grant made for University purposes, out of which the grant of Rs.10,000 now asked for by the University may be sanctioned. *Please see also the Secretary's remarks para-6 of his note on p. 24 of G.O.
